### How You'll Pay for Services When You Need Them

For in-network care, you pay a copayment when you access care:

- \$25 copayment per specialist visit
- \$50 copayment per urgent care visit

- \$250 copayment per hospital stay
- You have the option to open a health flexible spending account

For out-of-network care, you are required to pay a deductible:

- \$750 for family coverage

After you meet the deductible, you pay 40 percent coinsurance and reimbursement limits apply.
