## Publication History

- 05-20-2020 New Policy - Technology Assessment Committee evaluation on 04-22-2020: Agreed to create separate policy specific to InVisionFirst for Medicare Only. Policy is to follow LCD L37921 by Wisconsin Physician Service, (in JH). Prior Authorization will be required for CPT 81479.
- Reviewed by PHP Medical Policy Committee on 04-29-20 and agreed with TAC recommendations and to place PA requirement for this policy for CPT 81479.
- 05-26-2021 Annual review. Reviewed on 05/06/2021. Continue to follow (LCD L37921), MoIDX: Inivata, InVisionFirst for Medicare only. Continuation for Commercial/Medicaid as investigational. Removed the exclusions language in regard to "Other noninvasive blood test for non-small cell lung cancer (NSCLC) which are not covered: GeneStrat (Biodesix Inc.) and FoundationOne Liquid (Foundation Medicine Inc)". Continue PA for 81479.
- 05-25-2022 Annual review. Reviewed by PHP Medical Policy Committee on 04/06/2022. Continue to follow LCD L37921 Inivata™, InVisionFirst®, Liquid Biopsy for Patients with Lung Cancer. Coverage has been expanded to Commercial and Medicaid. Rationale: Both LCD and NCCN mention liquid biopsy testing should only be ordered when tissue-based is infeasible. The coverage determination guideline language removed from policy and reformatted to only include CMS LCD weblinks. The Medical Policy Manual (MPM) number changed from 37.0 to MPM 39.1 to consolidate the Liquid biopsies testing under the MPM 39 category. Throughout the policy added trademark symbol to Inivata and registered symbol to InVisionFirst were added.
- 05-24-2023 Annual review. Reviewed by PHP Medical Policy Committee on 03-24-2023. Continue to follow LCD L37921 Inivata™, InVisionFirst®, Liquid Biopsy for Patients with Lung Cancer for all LOB.
- 05-22-2024 Annual review. Reviewed by PHP Medical Policy Committee on May 01, 2024. No change in coverage. Continue to follow WSP LCD (L37921) for ALOB. Add code 0388U, specify to InVisionFirst test for lung cancer. This code already requires PA.

*This Medical Policy is intended to represent clinical guidelines describing medical appropriateness and is developed to assist Presbyterian Health Plan and Presbyterian Insurance Company, Inc. (Presbyterian) Health Services staff and Presbyterian medical directors in determination of coverage. The Medical Policy is not a treatment guide and should not be used as such.*

*For those instances where a member does not meet the criteria described in these guidelines, additional information supporting medical necessity is welcome and may be utilized by the medical director in reviewing the case. Please note that all Presbyterian Medical Policies are available online at: [Click here for Medical Policies](#)*
