## Primera sección: Introducción

Este directorio proporciona una lista de proveedores de atención médica y farmacias de la red de Presbyterian Senior Care (HMO-POS).

### Su proveedor de atención médica primaria:

#### ¿Qué es un "PCP" y que hace por usted?

Tiene que elegir uno de nuestros proveedores de atención médica de la red que se enumeran en este directorio para ser su proveedor de atención primaria [Primary Care Provider, PCP]. Por lo general, tiene que recibir sus servicios de atención médica de su PCP.

Su PCP es un médico, un(a) enfermero(a) de práctica avanzada u otro profesional médico que cumplen los requisitos del estado y han sido capacitados para proporcionarle atención médica primaria. Consulte [la Sección 2.1 del Capítulo 3], del documento de su Evidencia of Coverage (EOC por sus siglas en inglés) del 2026, "Cómo cambiar su PCP", si decide que desea elegir otro PCP. Según explicamos a continuación, deberá conseguir su atención médica básica o de rutina de su PCP y esa es la primera persona a quien debe llamar cuando necesite atención médica, salvo en una situación médica urgente o de emergencia.

Su PCP puede proporcionarle la mayor parte de su atención médica y le ayudará a coordinar el resto de los servicios cubiertos que consiga como asegurado de nuestro plan. Coordinar" sus servicios incluye verificar o consultar a otros proveedores de atención médica de la red acerca de su atención médica y estar al tanto de cómo le va. Ya que su PCP se encarga de proporcionar y coordinar su atención médica, deberá pedir que todos sus expedientes médicos anteriores se envíen al consultorio de su PCP.

Los "proveedores de la red" en la lista de este directorio han aceptado prestarle servicios de atención médica y de farmacia. Puede consultar a cualquiera de los proveedores de atención médica de la red que se enumeran en este directorio; sin embargo, algunos servicios pueden requerir un referido o una autorización previa. Si ha estado consultando a un proveedor de atención médica de la red, no se exige que siga consultando a ese mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores de atención médica fuera de la red a un costo más alto.

Puede elegir recibir atención médica de proveedores fuera de la red. Nuestro plan cubre los servicios que presten los proveedores de atención médica, tanto de la red como fuera de la red, con tal que los servicios sean beneficios cubiertos y hayan recibido la autorización previa, si se exige. Sin embargo, si consulta a un proveedor de atención médica fuera de la red, a lo mejor será más alta su porción de los costos por los servicios cubiertos.

Consulte la Sección 2.1 del Capítulo 3, de su EOC para obtener información sobre cómo conseguir atención médica de los PCP, los especialistas y otros proveedores de atención médica de la red, así como la forma de obtener atención médica de proveedores fuera de la red. Si tiene preguntas sobre cómo conseguir los servicios cubiertos, llame a los números de teléfono de nuestro Centro de Servicio al Cliente de Presbyterian. Los números de teléfono se indican en la contraportada de este directorio.

Recuerde, que tiene la obligación de pagar el costo completo de los servicios que no estén cubiertos por nuestro plan, ya sea porque son servicios que no cubre el plan o por no haber seguido las reglas del plan.

## **Atención médica de emergencia:**

Si tiene una emergencia médica, usted considera que su salud está en peligro grave. Una emergencia médica puede incluir un dolor intenso, una lesión grave, una enfermedad repentina o un problema médico que se empeora mucho rápidamente.

La atención médica de emergencia siempre se puede conseguir del proveedor de atención médica más cercano y disponible, ya sea dentro o fuera de la zona de servicio. Si viaja fuera de los Estados Unidos, cuenta con la cobertura de emergencia por todo el mundo.

Si recibe atención médica de emergencia, es importante que nos avise posteriormente a fin de que podamos participar en la coordinación de la atención médica de seguimiento. Avise a su PCP o llame a nuestro Centro de Servicio al Cliente de Presbyterian (los números de teléfono se encuentran en la contraportada de este directorio).

## **Atención médica urgente:**

La atención que se necesita con urgencia es para una enfermedad o un problema médico **imprevisto** que no es de emergencia y requiere atención médica enseguida, pero que no pone su salud en peligro grave.

Cubriremos la atención médica de urgencia que reciba de un proveedor de atención médica en cualquier parte del mundo.

## **¿Qué debe hacer si tiene facturas de proveedores de atención médica fuera de la red que cree que deberíamos pagar?**

Si ha recibido una factura por servicios de un proveedor de atención médica fuera de la red, debe enviarnos la factura para que la paguemos o pedir al proveedor fuera de la red que nos facture primero a nosotros. Es posible que paguemos al proveedor de atención médica fuera de la red nuestra parte de la factura y le comunicaremos lo que debe pagar usted, si es que debe pagar algo. Si ya pagó los servicios cubiertos, podemos reembolsarle nuestra parte del costo, con tal que los servicios prestados cumplan las directrices de cobertura de Medicare y/o Presbyterian Senior Care (HMO-POS).

## Asignación del Programa Medicare

Algunos médicos, proveedores de atención médica y suministradores que no forman parte de la red de un plan (p. ej., fuera de la red) aceptan asignaciones del Programa Medicare y no cobran más que la cantidad aprobada por Medicare. Si eligiera consultar a un proveedor de atención médica fuera de la red que no acepta asignaciones del Programa Medicare, su coseguro se puede basar en la cantidad aprobada por Medicare más una cantidad adicional hasta un “cargo limitativo” de Medicare más alto.

Consulte las publicaciones “Medicare & You” [Medicare y usted] o “Your Medicare Benefits” [Sus beneficios de Medicare] que están a su disposición en [www.medicare.gov](http://www.medicare.gov) para las explicaciones de las reglas correspondientes a la asignación y los cargos limitativos pertinentes clasificados por el tipo de beneficio.

Para averiguar si los médicos y los suministradores de equipos médicos duraderos [durable medical equipment, DME] aceptan la asignación o participan en el Programa Medicare, visite [www.medicare.gov/care-compare](http://www.medicare.gov/care-compare) o [www.medicare.gov/supplier](http://www.medicare.gov/supplier). Además, puede llamar al 1-800-MEDICARE (633-4227), las 24 horas del día, los siete días de la semana o pregúnteles a su médico, proveedor de atención médica o suministrador si aceptan dicha asignación.

## Unique Services

The University of New Mexico (UNM) Medical Group is an in-network provider, but there are some things you should know before you seek care:

- You need prior authorization (approval from Presbyterian) to see a UNM Medical Group provider. This includes any specialists and inpatient and outpatient services.
- If you choose to seek treatment from a UNM Medical Group specialist, you will need prior authorization and a referral from a provider.
- Some members are not able to choose a UNM Medical Group primary care provider. Call the Presbyterian Customer Service Center and they can help you find out if this is an option for you.
- You do not need prior authorization or a referral to receive emergency care at a UNM facility.

If your provider determines that you need care from a UNM provider, he/she will work with Presbyterian to help you get the approval you need.

## Introducción a la sección de farmacias

Este directorio presenta una lista de las farmacias de la red de Presbyterian Senior Care (HMO-POS). Para obtener una descripción completa de su cobertura de medicamentos recetados, incluso cómo surtir sus recetas, favor de repasar la Evidencia de Cobertura (EOC por sus siglas en inglés) del 2026 y la lista de medicamentos [formulary] de Presbyterian Senior Care (HMO-POS).

A las farmacias de dicha lista le damos el nombre de “farmacias de la red” porque hemos hecho arreglos con las mismas para proveer los medicamentos recetados a los asegurados del plan. En la mayoría de los casos, sus recetas están cubiertas conforme a Presbyterian Senior Care (HMO-POS) solo si se surten en una farmacia de la red o por medio de nuestro servicio farmacéutico de encargos por correo. Una vez que vaya a una farmacia, no se exige que siga yendo a la misma farmacia para surtir su receta médica. Puede cambiar a cualquier otra de las farmacias de nuestra red. Surtimos recetas en farmacias fuera de la red bajo ciertas circunstancias según se describe en su EOC.

Tal vez no estén enumeradas en este directorio todas las farmacias de la red. Es posible que se hayan agregado o eliminado farmacias de la lista después de imprimir este directorio. Eso quiere decir que las farmacias que se encuentran en la lista a lo mejor ya no forman parte de nuestra red o tal vez hayan farmacias nuevas en nuestra red que no se encuentran en la lista. Esta lista se actualizó el April 3, 2026. Para conseguir la lista más actualizada, favor de ponerse en contacto con el Centro de Servicio al Cliente de Presbyterian. Los números de teléfono se indican en la contraportada de este directorio.

**Puede recibir medicamentos recetados en su domicilio con Costco Pharmacy**, nuestro programa de entrega por correo. Para obtener más información, comuníquese con el Centro de Servicio al Cliente de Presbyterian o visite <https://www.phs.org/es/medicare/prescription-drugs/home-delivery>.

Además, enumeramos farmacias que forman parte de nuestra red, pero que están ubicadas fuera de la zona de servicio de Presbyterian Senior Care (HMO-POS). También le pueden surtir sus medicamentos recetados en esas farmacias. Para conseguir más información, favor de consultar la sección de este directorio de farmacias sobre las farmacias de la red ubicadas fuera de la zona de servicio de Presbyterian Senior Care (HMO-POS) o póngase en contacto con nuestro Centro de Servicio al Cliente de Presbyterian. Los números de teléfono se indican en la contraportada de este directorio.

Si tiene preguntas referentes a lo de más arriba, en la portada y/o contraportada de este directorio encontrará los datos de contacto para comunicarse con nosotros.

## Specialty Pharmacies

---

Specialty pharmacies provide medications for people who have serious, chronic, or rare health conditions. Specialty medications can help you manage your condition. Depending on your health condition, these types of medications may:

- Be given by infusion (IV), through injection, or taken by mouth
- Cost more than traditional medications
- Have special storage and handling requirements
- Need to be taken on a very strict schedule

Most prescriptions will be mailed to your home.
