

QUAY COUNTY 2021 IMPACT REPORT

TOGETHER WE ARE BUILDING A CULTURE OF HEALTH

Presbyterian Dr. Dan C. Trigg Memorial Hospital and Presbyterian Community Health worked with the Quay County Health Council to complete a Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP) for 2020-2022.

This report summarizes the progress to date on the four community-informed priorities below. For questions contact Meredith Root Bowman at mrootbowm@phs.org.

At-a-Glance

Presbyterian Dr. Dan C. Trigg Memorial Hospital offers a range of services focused on improving quality, enhancing the patient experience and providing care close to home for Quay County residents.

TOTAL COMMUNITY BENEFIT
\$1,849,623

Priority Area 1: **BEHAVIORAL HEALTH**

Presbyterian's behavioral health initiatives work to address mental health and substance use to include prevention and treatment.

Peer Opioid Program Virtual Support

Peer Support Specialists assist patients who arrive in the emergency department with an opioid overdose or a substance/mental health-related episode.

Peer Support Specialists began virtually supporting patients in 2021.

48 people were trained on how to use naloxone in the event of an overdose.

68 people attended Community Opioid Misuse and Treatment Training sessions.

Priority Area 2: **SOCIAL DETERMINANTS OF HEALTH**

At Presbyterian, we recognize that improving the health of our community means addressing their needs beyond the hospital or clinic. Priority initiatives aim to address unmet social needs through connecting individuals to community resources.

Addressing Intimate Partner Violence

Presbyterian partnered with Quay County Health Council to create a task force to respond to intimate partner violence. Local law enforcement received training on how to respond.

9 new Intimate Partner Violence Task Force members began their work.

11,593 people were reached with public service announcements via social media.

21 local police officers were trained on responding to intimate partner violence.

Priority Area 3: **ACCESS TO CARE**

Presbyterian's Access to Care initiatives increase individuals' ability to manage their health and navigate health and social care.

Flu Shot Distribution

Presbyterian distributed **757** free flu shots
344 in Logan
413 in Tucumcari

Diabetes Days

46 patients with diabetes received on-site retinal scanning and tele-endocrinology during a special "Diabetes Days" initiative to increase access to diabetes care.

Priority Area 4: **HEALTHY EATING AND ACTIVE LIVING (HEAL)**

Presbyterian's healthy eating and active living initiatives aim to prevent and manage chronic disease through improving access to local healthy food, health education and opportunities for physical activity.

28,078 people were reached with information on Healthy Eating and Active Living via social media.

695 people attended community physical activity events including:

- Museum Scavenger Hunt
- 5k Fun Run and Walk
- Main Street Walk
- Holiday Dash
