# Over-the-Counter catalog

Shop for over-the-counter (OTC) products with your benefit allowance from Presbyterian UltraFlex (HMO-POS) plan

# Your OTC benefit

As part of your UltraFlex plan, your flex card gives you an allowance to buy approved OTC products. Purchase products like toothpaste, vitamins, pain relief and more. It's all included in your health plan at no cost to you.

## How it works

- 1. \$215 in funds is added to your account every three months. Your flex card is linked to this account.
- 2. Activate your flex card before you start shopping by calling 1-833-832-7306, TTY 711. Use it to buy approved OTC products. You should have already received your UltraFlex card in a separate mailing.
- 3. Benefit allowances expire at the end of the plan year.
