Subject: Sign Up to Receive Emails from Presbyterian

Dear Provider,

Presbyterian Health Plan, Inc. and Presbyterian Insurance Company, Inc. (Presbyterian) would like to encourage providers to sign up to receive communications and resources via email. It takes less than a minute to sign up. To get started, visit www.phs.org/providercommunications and click on the “Sign Up Now” link in the “Stay Connected” box.

When providers sign up to receive emails from Presbyterian, not only will they receive more timely notifications about important updates and be able to easily access online resources at the click of a button, but they will also help reduce paper use. In other words, signing up isn’t only beneficial to you – it’s also great for the environment.
