| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                                | <b>\$3,000</b> Individual <b>/ \$6,000</b><br>Family  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual deductible until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered<br>before you meet your<br><u>deductible</u> ? | Yes. <u>Preventive care</u> ,<br>Behavioral Health services, any<br>benefit where there is no<br>charge, Covid-19 testing,<br>treatment, vaccines, boosters<br>and any service that has a<br><u>copayment</u> | This <u>plan</u> covers some items & services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive care</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.   |
| Are there other <u>deductibles</u> for specific services?                 | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?          | <b>\$6,350</b> Individual <b>/ \$12,700</b><br>Family   | The <u>out of pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out of pocket limit</u> until the overall family <u>out</u> <u>of pocket limit</u> has been met.   |
| What is not included in the<br>out-of-pocket limit?                       | Premiums, <u>balance billing</u><br>charges, and health care this<br><u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the out of pocket limit.  |
| Will you pay less if you use<br>a <u>network provider</u> ?               | Yes. See Group HMO Network at<br>https://www2.phs.org/providers/?i<br>nsurance_plans=individual-and-<br>family-or-group-hmopos or call 1-<br>800-923-6980 for a list of<br>participating providers.           | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out of network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out of network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.   | You can see the <u>specialist</u> you choose without a referral.  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
