Healthy Benefits+ for a healthy budget.

Use your benefit funds to spend on items for healthy living and boost your budget.

Buy things like pain relief medicine, toothpaste, first aid kits, cough drops and more. You'll find a selection of covered items in this catalog, but even more are available online or in-store.

Dual-purpose items. A dual-purpose item is one that can be used for a health problem or for a general purpose. Things like vitamins are dual purpose items. Talk to your doctor and your health plan before buying a dual-purpose item. Do not buy a dual-purpose item if your doctor or your health plan doesn't agree. If your doctor and your health plan do agree, you may buy the item(s) through your OTC benefit. Dual-purpose items are marked with an asterisk ().

Please note that the regular retail price in the store may vary. For prices that apply when you use your OTC benefits, please consult this catalog. Benefits and features vary by plan/area. Limitations and exclusions apply. OTC benefits have expiration timeframes. Call your plan or review your Evidence of Coverage (EOC) for more information. References to third-party products do not imply an endorsement or recommendation to use or purchase a specific product or brand. This product list is subject to change. Items, quantities, sizes, and values may change depending on availability. This information is not a complete description of the benefits. Items may vary based on the manufacturer and availability. Items may be added or removed at any time without notice. The brand names of the OTC items are trademarks of each company. Item costs may change from year to year. Please review the product labeling and consult with your doctor with any health or medical questions. All benefits are not available on all plans. We comply with applicable Federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex.
