A PRESBYTERIAN

Health Savings Account

An Health Savings Account (HSA) lets you put money away for future healthcare costs while saving on taxes. How? HSAs are never taxed at a federal income tax level when used for qualified medical expenses. Contributions can come straight out of your paycheck, and your HSA can grow tax-free too.

- No 'use-it-or-lose-it,' keep your HSA forever
- Create a healthcare emergency safety net
- Invest¹ your HSA tax-free, like a 401(k)

Annual tax saving potential²
