Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$500 Individual / \$1,000 Double / \$1,500 Family Out-of-network: \$2,800 Individual / \$5,600 Double / \$8,400 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This <u>plan</u> covers some items & services even if you haven't met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive care</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.
Are there other <u>deductibles</u> for specific services?	Yes. \$50 Single \$100 Two- Person/Family	You must pay all the Pharmacy costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services you use.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-network: \$3,500 Individual / \$7000 2-party / \$10,500 Family Out-of-network: \$7,000 Individual / \$14000 2-party / \$21,000 Family	The <u>out of pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out of pocket limit</u> until the overall family <u>out of pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, health care this plan doesn't cover, and penalty amounts.	Even though you pay these expenses, they don't count toward the out of pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www2.phs.org/providers ?insurance_plans=aso-hmo- aso-ppo-aso-hdhp or call 1- 888-275-7737 for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out of network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>).
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.
