

How to make an appointment for VirtualPRES – Primary Care

1. Go to phs.org/virtualpres. Under Virtual Primary Care, click **Explore Virtual Primary Care**.

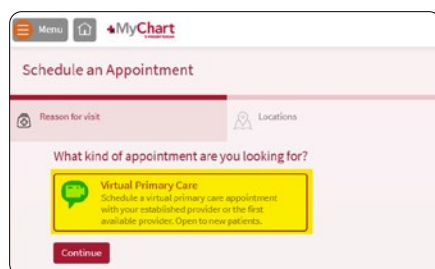

2. Select **Schedule an Appointment**.

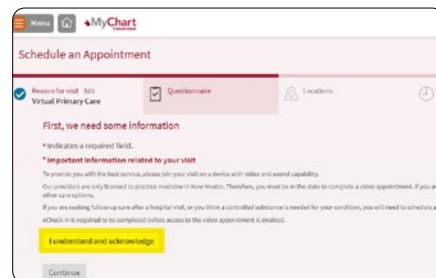

3. You will need to sign in to your MyChart account through myPRES (same login you use for MyChart). If you do not have a MyChart account, you will need to create one.

4. Select **Virtual Primary Care**.

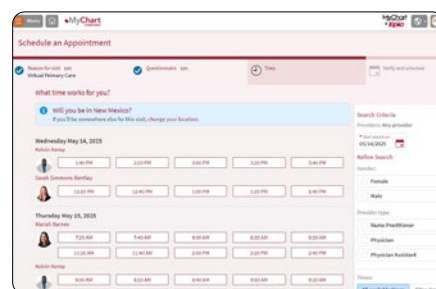

5. At the bottom of the screen, you will be asked to acknowledge information about your visit. Select **I understand and acknowledge**.

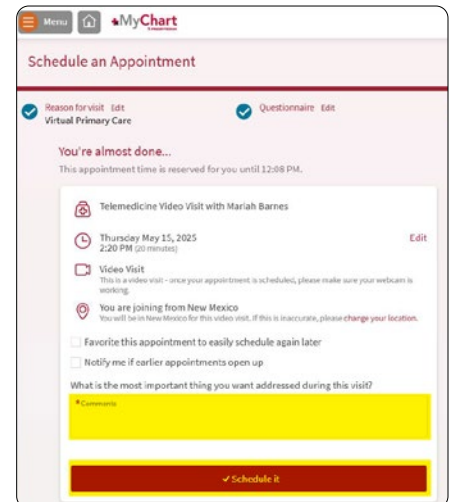

6. Identify if you will be using a TytoCare device to aid in your physical exam during your video appointment.

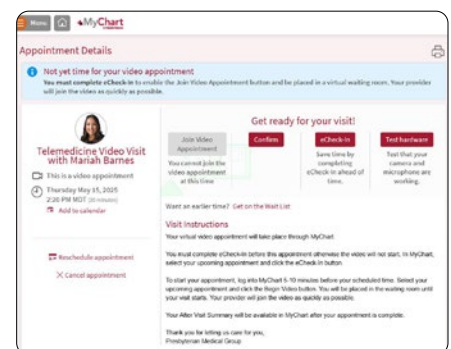

7. You will be presented with a list of providers and available times which you can select from. On the right side of the screen, you can also filter your options to best meet your preferences.

8. In a few short words, describe the most important issue you want to address during your visit, then select **Schedule It**.

9. You will receive confirmation showing the details of your video appointment. Before your appointment, you must complete the eCheck-In process. You will receive reminders as your appointment time approaches.
