

LINCOLN COUNTY MEDICAL CENTER REPORT TO THE COMMUNITY 2025

WHO WE ARE

Lincoln County Medical Center (LCMC) is a county-owned critical-access hospital that has been leased and managed by nonprofit Presbyterian Healthcare Services (PHS) since 1972. This partnership is dedicated to helping improve the health of individuals, families and communities in Ruidoso and Lincoln County. We operate a hospital, primary care clinic and a specialty clinic in Ruidoso; primary care clinics in Capitan, Carrizozo, Corona and Hondo; and a countywide ambulance service in Lincoln County.

OUR SERVICES

At LCMC, the following medical specialties are offered: behavioral healthcare, cancer care, cardiology, family medicine, general surgery, infusion services, internal medicine, laboratory, orthopedics and orthopedic surgery, physical, occupational and speech therapies, radiology, telehealth services for endocrinology and pulmonology, urology, wound care, and women's care.

CARING FOR OUR COMMUNITY

As a community-based healthcare provider, our focus is on providing safe, compassionate and equitable care that keeps our patients and members healthy. In 2025:

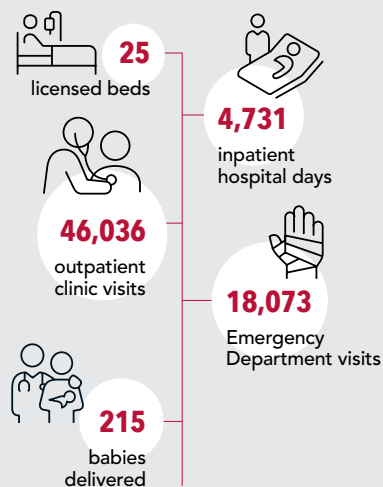

- LCMC expanded our prenatal care program with the addition of a dedicated Community Health Worker, strengthening the connection between medical care, whole-person support and healthy outcomes for moms and babies.
- LCMC prepared to launch the Southern Roots Food is Medicine prescription food box program to provide medically tailored, home-delivered grocery boxes and meals to members and patients with chronic, diet-related conditions like diabetes or heart disease.
- The Joint Commission awarded us the Maternal Levels of Care Level I: Basic Care designation. The Maternal Levels of Care Verification program provides an objective assessment of a facility's capabilities with regard to maternal-fetal care.
- The Lown Institute awarded us an A grade in social responsibility reflecting outstanding performance across health equity, value and patient outcomes, placing us among top-performing U.S. hospitals.

COMMUNITY OVERSIGHT

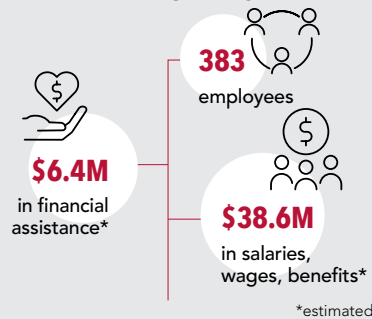

LCMC is overseen by a Board of Trustees made up of these community members, along with Todd Oberheu, our hospital chief executive:

- Suzanne Dennehey, APC
- Gary Jackson, DO
- Gary Mitchell
- Mark Flack
- Betty Leonard
- Tom H. Rigsby
- Lori Gibson-Willard
- Marsha Kirk
- Alberto Robles
- Leslie Graham
- Kyle McCombs, MD
- Scott Shafer
