↑ The Summary of Benefit

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-670-0603 or visit www.phs.org. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-866-670-0603 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$1,700 Individual / \$3,400 Individual + One / \$3,400 Family Out-of-network: \$5,000 Individual / \$10,000 Individual + One / \$10,000 Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your Deductible.	This <u>plan</u> covers some items & services even if you haven't met the <u>deductible</u> amount. But a <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive care</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-network: \$5,000 Individual / \$10,000 Individual + One / \$10,000 Family Out-of-network: \$10,000 Individual / \$20,000 Individual + One / \$20,000 Family	The <u>out of pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out of pocket limit</u> until the overall family <u>out of pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out of pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.phs.org or call 1-866-670-0603 for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out of network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, you <u>network provider</u> might use an for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
