# WELCOME

The New Mexico Retiree Health Care Authority (referred to as NMRHCA) is pleased to present your Plan effective January 1, 2026. You will notice some differences from plans offered in the past, and this *Member Benefit Booklet* provides a good explanation of how to maximize the Plan's benefits.

As you are aware, healthcare costs continue to increase at an alarming rate and NMRHCA is not immune to the contributing factors behind these increases. However, through sound administrative practices as well as good decisions on your part as Plan participants, NMRHCA has been able to limit the impact to its Plan participants.

In keeping with its commitment to service and flexibility, NMRHCA is offering plans that provide you with options for accessing care. NMRHCA believes that your engagement as a well-informed care seeker will help ensure the long-term success of the Plan. In partnership with NMRHCA, we encourage you to familiarize yourself with the Plan's features in order to make informed decisions about your healthcare.

This *Member Benefit Booklet* is intended to provide you with easy-to-understand explanations about specific provisions of the program including covered services and related out-of-pocket expenses.

While every effort is made to make this booklet as accurate as possible, any conflict that should arise between this *Member Benefit Booklet* and the claims administrator will be governed by the terms of the Professional Services Agreement. In addition, NMRHCA reserves the right to terminate, discontinue, alter, modify, or change this Plan or any provision of this Plan at any time.

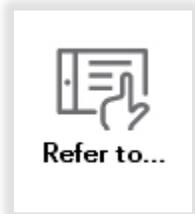

Please take time to read and understand the terms and conditions in this *Member Benefit Booklet* in order to better understand the costs associated with the delivery of care.

Thank you for the opportunity to serve you.

## HOW THE PLAN WORKS

Your Group healthcare plan is a Value HMO Plan administered by the Claims Administrator, Presbyterian Health Plan, Inc. (Presbyterian Health Plan). This plan is available only to those Members living in New Mexico.

### IN-NETWORK PROVIDERS

You and all covered members of your family must select an In-network Primary Care Provider (PCP) to coordinate your care. In-network PCPs are Provider who have a contract with PHP to provide, coordinate, and manage your healthcare needs. In-network PCPs include family and general practice, internal medicine, and pediatric Provider who are conveniently located throughout the HMO network area. When you see an In-network PCP or any other In-network Provider/Practitioner, you pay a Copayment for most services. The In-network Provider/Practitioner handles any necessary **Prior Authorizations** for you.

In-network OB/GYNs can be seen. This benefit, called Open Access, allows female Members to see their OB/GYN for care related to pregnancy or any gynecological condition.

If you want to know more about your In-network Provider/Practitioner, the Presbyterian Customer Service Center can tell you information such as medical school attended, residency completed, and board certification status.

### OUT-OF-NETWORK PROVIDERS

Out-of-network Practitioners/Providers are healthcare Practitioners/Providers, including non-medical facilities, who have not entered into an agreement with us to provide Health Care Services to PHP Members.

Covered Health Care Services obtained from an Out-of-network Practitioner/Provider **or outside the Service Area will not be Covered** unless such services are not reasonably available from an In-network Practitioner/Provider or in cases of an emergency. You will not pay higher or additional Cost Sharing amounts under such circumstances.

Services provided by an Out-of-network Practitioner/Provider, except Emergency services, require that your Primary Care Physician request and obtain written approval (Authorization) from our Medical Director **BEFORE** services are rendered. Otherwise, **you will be responsible for payment**. Please refer to the **Prior Authorization Section** for more information on **Prior Authorization** requirements.

**Services of an Out-of-network Practitioner/Provider will not be Covered** unless this **Prior Authorization** is obtained prior to receiving the services. **You may be liable for the charges** resulting from failure to obtain **Prior Authorization** for services provided by the Out-of-network Practitioner/Provider.

## HOW TO ACCESS CARE

To receive care under this plan, you and all your covered members of your family must select an In-network PCP to coordinate your health care needs. Your In-network PCP will be able to meet most of your health care needs. A list of In-network PCPs may be found in the PHP Provider Directory or from the PHP Web Site at [www.phs.org](http://www.phs.org). You may choose any doctor or nurse practitioner on that list as your In-network PCP. If you choose an In-network PCP from this list and notify PHP of your selection, that PCP information will appear on your ID Card.

## WHAT IS PRIOR AUTHORIZATION?

**Prior Authorization** can provide you with the assurance that, when you are using the Plan, you are being treated in the most efficient and appropriate health care setting. It will also help manage the rising costs of health care. Your participation is essential. Together, we can make **Prior Authorization** an effective program.

If you obtain services from an In-network Provider, the PHP Health Services Department staff will ask your In-network PCP/Specialist for information about your medical condition, the proposed treatment plan and the estimated length of stay, if hospitalization is required. The Health Services Department staff will evaluate the information and notify your PCP or Specialist (usually at the time of the call) if the proposed treatment or hospitalization is approved. **Prior Authorization** has been completed when your In-network PCP/Specialist has been told that the proposed services are approved. Payment is made as explained in the *Summary of Benefits* and in “Covered Services”.

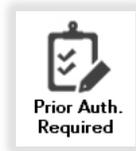

The **Prior Authorization** requirements affect whether the Plan pays for your Covered Services. However, **Prior Authorization** does not deny your right to be admitted to any Hospital.

## WHAT PROCEDURES REQUIRE PRIOR AUTHORIZATION?

Certain procedures or services, as identified in the next subsection of this document, do require **Prior Authorization**. The responsibility for obtaining **Prior Authorization** is as follows:

- In-network Provider - When accessing services from an In-network Provider, the In-network Provider is responsible for obtaining **Prior Authorization** from Presbyterian Health Plan before providing these services to you.

## PRIOR AUTHORIZATION – INPATIENT

If your In-network Provider recommends you be admitted as an Inpatient to a Hospital or treatment facility, your In-network Provider is responsible for any **Prior Authorization** requirement for Inpatient Admissions.

If you are hospitalized and there has been no approved **Prior Authorization**, and the Plan determines that the Admission was not Medically Necessary, **no** benefits are paid for Inpatient room and board charges. Additionally, these expenses do **not** apply toward the Out-of-Pocket Maximum provision. Other Covered Services are paid as explained in the *Schedule of Benefits* and the Covered Services Section. If the Admission is not for a Covered Service, **no** payment is made.

**Note:** All Admissions for Behavioral Health and Alcoholism and/or Substance Use Disorder services require Prior Authorization from Presbyterian Health Plan's Behavioral Health Department (1-800-453-4347). If Prior Authorization is not obtained, services may not be covered if they do not fall within the benefits and limitations of this Plan. For emergencies, Presbyterian Health Plan Behavioral

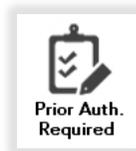

Health Department must be notified by the end of the next business day or as soon as reasonably possible or benefits may be denied.

**Prior Authorization** procedures also apply in the event you are transferred from one facility to another, you are readmitted, or when a newborn child remains hospitalized after the mother is discharged.

## PRIOR AUTHORIZATION – OTHER MEDICAL SERVICES

**Prior Authorization** determines only the Medical Necessity of a procedure or an Admission and an allowable length of stay. Approvals (for example, to receive non-specified services from a particular Provider) do not guarantee payment, and do not validate eligibility. Benefit payments are based on your eligibility and benefits in effect at the time you receive services. Services not listed as Covered and services that are not Medically Necessary are **not Covered**.

In addition to **Prior Authorization** for all Inpatient services, **Prior Authorization** is required for the following services. For certain services, **Prior Authorization** may be requested over the telephone. In other cases, a written request for approval must be submitted.

If **Prior Authorization** is not obtained for the following services, benefits will be reduced or denied for all related services. Your In-network Provider will request **Prior Authorizations** for you.

- All Hospital admissions, Inpatient non-emergent.

## CASE MANAGEMENT PROGRAM

Presbyterian Health Plan’s Case Management Program is a program that, as early as possible, identifies patients who have the potential for having high-cost medical expenses, may require extensive hospitalization, or have complicated discharge planning needs so that cost-effective alternative care arrangements can be made. Special care arrangements are coordinated with the Provider and may include benefits for services that are not ordinarily covered. In addition, the case management program acts to assist the patient and Provider in complex situations and coordinates care across the healthcare spectrum.

## PRESRN

## COST SHARING FEATURES

The Plan shares the cost of your healthcare expenses with you. The following describes the different cost-sharing methods available, as detailed in the *Summary of Benefits*.

## COPAYMENT

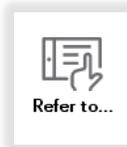

For most services obtained from an In-network Provider, you pay a Copayment and the Plan pays a portion of the remainder. The Copayment is stated as a set dollar amount. See the *Summary of Benefits* for all applicable Copayments.

## COINSURANCE

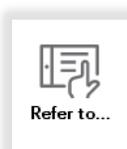

For most services, you will pay a Coinsurance. This is the amount of the covered healthcare expense that is partially paid by the Plan and partially paid by you on a percentage basis. This Coinsurance is in addition to the Annual Deductible you are responsible for and continues to be your responsibility after the Annual Deductible is met. See the *Summary of Benefits* for Coinsurance amounts.

## ANNUAL DEDUCTIBLE (JANUARY 1 –DECEMBER 31)

Most services are subject to an Annual Deductible. The amount of your Annual Deductible can be found in the *Summary of Benefits*. This Deductible must be paid for by you each Calendar Year toward Covered Services **before** health benefits for that Member will be paid by the Plan (except preventive services, drugs, items Covered under the prescription drug plan and other services as indicated on the *Schedule of Benefits*).

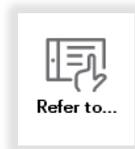

## ANNUAL OUT-OF-POCKET MAXIMUM

This Plan includes an Annual Out-of-pocket Maximum amount to protect you from catastrophic health care expenses. After your Annual Out-of-pocket Maximum is reached, the Plan pays 100%, for Covered Services for the remainder of that Calendar Year, up to the maximum benefit amounts. Refer to the *Summary of Benefits* for the Annual Out-of-pocket Maximum amounts.

The Annual Out-of-pocket Maximum does **not** include penalty amounts, non-covered charges, and any amounts over Reasonable and Customary charges.

## MAXIMUM BENEFITS

There is no Lifetime maximum payment under the Plan. However, certain benefits are specifically limited and have maximum limits per Calendar Year or lifetime, as described in the *Summary of Benefits* and in the Limitations and Exclusions Section.

## MEDICALLY NECESSARY SERVICES

The Plan helps pay health care expenses that are Medically Necessary and for those routine services specifically Covered in this *Member Benefit Booklet*. **No** benefit is available for any expense that is not Medically Necessary, unless it is for a routine service specifically Covered in this *Member Benefit Booklet*.

To be Medically Necessary, tests, treatments, services, or supplies provided by a Hospital, physician, or other health care Provider must:

- Be appropriate for the symptoms or diagnosis and treatment of the Member's condition, disease, illness or Accidental Injury;
- Be provided for the diagnosis or the direct care and treatment of the Member's condition, disease, illness or Accidental Injury;
- Be in accordance with the standards of good medical practice in the state where services are provided;
- Not be primarily for the convenience of the Member, the Member's family, or the Member's Provider; and
- Be the most appropriate supply or level of service that can safely be provided to the Member. When applied to hospitalization for acute care, this further means that the Member requires acute care as a bed patient and cannot receive safe or adequate care in a skilled facility, home health care or Outpatient.

Presbyterian Health Plan determines whether a healthcare service or supply is Medically Necessary and, therefore, whether the expense is covered.

**Note:** If you disagree with Presbyterian Health Plan's decision regarding the Medical Necessity of any item or service, you may file a Grievance or complaint. You may also request an external review of Presbyterian Health Plan's decision at any time. See "Grievance Procedures" in the Filing Claims Section. The fact that a Provider has prescribed, ordered, recommended, or approved a service or supply does not make it Medically Necessary or make the expense a Covered Service, even though it is not specifically listed as an exclusion.

## HEALTH CARE FRAUD MESSAGE

Insurance fraud may result in cost increases for this health care Plan. The following describes ways that you can help eliminate health care fraud:

- Always review the explanation of benefits (EOB) you receive from Presbyterian Health Plan. If there are any discrepancies, call one of our Presbyterian Customer Service Center representatives.
- Be very cautious about giving information about your insurance coverage over the telephone.

If you suspect fraud, please call the Presbyterian Customer Service Center at **(505) 923-5600** or **1-800-275-7737**, Monday through Friday, 7 a.m. to 6 p.m. TTY users may call **711**.

## ELIGIBILITY, ENROLLMENT AND EFFECTIVE DATES

### ELIGIBILITY

Each person who becomes eligible for coverage can apply by submitting an Application to NMRHCA **within 31 days** of becoming eligible. Call NMRHCA at **1-800-233-2576** for more information. Eligibility conditions are mandated by the Retiree Health Care Act and are subject to periodic changes. Call NMRHCA at **1-800-233-2576** for more information.

### COVERAGE TYPES

Single (individual) – Retiree or his or her Dependent is covered.

Dependents are allowed to be covered under a non-Medicare plan when the retiree (or a surviving spouse) is covered under a NMRHCA sponsored Medicare program.

### LATE APPLICANTS

NMRHCA is no longer accepting “late applicants” into the program unless the applicant has experienced a qualifying event according to Section 125 of the Internal Revenue Service (IRS) Code.

NMRHCA will allow an “open enrollment period” once every other year beginning January 1, 2026.

### ELIGIBLE RETIREE, SPOUSE AND DEPENDENT CHANGE IN STATUS/ ENROLLMENT

When an eligible retiree, spouse, or Dependent was receiving or eligible to receive group health benefit coverage through a third party and because of a change in status lose the coverage and become ineligible for the coverage, he/she may enroll in any NMRHCA Plan without submitting a health statement. In such cases, if the loss of coverage was not caused by any neglect or wrongdoing by the eligible retiree, spouse, or Dependent, he/she may enroll **within 31 days** of the change of status without being considered a late applicant.

### ELIGIBLE RETIREE

You are an *eligible retiree* (a retiree eligible to participate in NMRHCA) if:

- You receive a disability or normal retirement benefit from public service in New Mexico with an NMRHCA-participating employer, **and** you did one of the following:
  - You retired with a pension before your employer’s effective date with NMRHCA program;
  - You and/or your employer (on your behalf) made contributions to NMRHCA fund from your employment effective date with NMRHCA until your date of retirement;

- You and/or your employer (on your behalf) made contributions to NMRHCA fund for at least five years before your date of retirement; *or*
- Former legislators who served in the New Mexico State Legislature for at least two years are also eligible.
- You served as a non-salaried member of the governing authority of an employer eligible group to participate in the benefits of the Retiree Health Care Authority Act. An example is a former school board member.

## **ELIGIBLE DEPENDENT**

An *eligible Dependent* is a person obtaining NMRHCA health care coverage based upon that person's relationship to an eligible retiree. Eligible Dependents include the following:

- A spouse.
- An unmarried, Dependent child under the age of 26, including:
  - A natural child.
  - A domestic partner.
  - A legally adopted child.
  - A stepchild living in the same household who is primarily dependent on the eligible retiree for maintenance and support.
  - A child for whom the eligible retiree is the legal guardian and who is primarily Dependent on the eligible retiree for maintenance and support, as long as evidence of the guardianship is provided in a court order or decree.
  - A foster child living in the same household as the eligible retiree.
  - A Dependent child over age 26 who is wholly dependent on the eligible retiree for maintenance and support and incapable of self-sustaining employment by reason of mental retardation or physical handicap. Proof of incapacity and dependency must be provided within 31 days after the child reaches the limiting age and such times thereafter, as may be required by NMRHCA. The disability must have occurred before the limiting age.
- A surviving spouse (the spouse to whom a deceased eligible retiree/vested-active employee and/or participant was married at the time of death) *or* a surviving Dependent child of a deceased eligible retiree/vested-active participant, whose other parent is also deceased.

## **RIGHT OF SURVIVORSHIP**

An eligible Dependent of a deceased eligible retiree/vested-active Member may be covered under the same terms and conditions as would apply if the retiree were still living, except that the Dependent is not entitled to carry retiree life insurance. The surviving Dependent is enrolled (or re-enrolled) under his/her own Social Security Number and is assessed the applicable spouse or Dependent rate for medical plan premium contributions. This is called "right of survivorship," and it will continue to be offered to the eligible spouse until his/her death or to the eligible Dependent child until his/her death, marriage, or ineligibility. Dependents of the surviving spouse or child are not eligible for this program unless they are related to the deceased retiree as

described under “Eligible Dependents,” earlier in this section. For example, if a surviving spouse remarries, his/her new spouse is not eligible for this program. A child is considered to be a specific age on the first day of the month following his/her birthday. **Proof of incapacity** and dependency must be furnished periodically by you to NMRHCA.

**Your spouse or children are not eligible while:**

- On active duty in the armed forces of any country; or
- Covered under this program as a retiree or a Dependent of another retiree.

**It is your responsibility to notify NMRHCA (who will then notify Presbyterian Health Plan) of any change in your coverage status, including a name or address change, or an addition or removal of a Dependent (spouse or child). If you have questions about a Dependent’s eligibility, contact NMRHCA at 1-800-233-2576 for details and forms.**

## **ADDING DEPENDENTS**

You may apply for coverage of your eligible dependents.

For dependents who are newly eligible due to an event such as marriage, or birth you need to apply for dependent coverage before or **within 31 days** of the event. If you do not apply within the 31 days, your Application for the additional dependent(s) will be denied. (See “Late Applicants” earlier in this section).

**Exception:** When an eligible retiree, spouse, or dependent was receiving group health coverage through a third party and involuntarily loses the coverage due to a change in eligibility status, the eligible retiree, spouse, or dependent will be considered to have experienced a qualifying event under Section 125 of the Internal Revenue Service Code. In such cases, if the loss of coverage was not caused by any neglect or wrongdoing by the eligible retiree, spouse, or dependent, he/she may enroll **within 31 days** of the change of status without being considered a late applicant.

## **REMOVING DEPENDENTS**

When a dependent becomes ineligible through death, divorce, annulment, or legal separation, coverage ceases on at the end of the month that caused the dependent to lose eligibility. If a dependent becomes ineligible, coverage ceases at the end of the month. The retiree is responsible for submitting a Change of Enrollment form to remove the dependent from coverage. Contact NMRHCA at **1-800-233-2576** for the necessary form.

## **HOW COVERAGE STOPS**

Coverage under NMRHCA Plan terminates when:

1. The retiree or dependent ceases to be eligible;
2. NMRHCA ceases to provide health care benefits;

3. The retiree or surviving dependent fails to make any required premium payment for coverage when due;
4. The retiree or dependent commits fraud or material misrepresentation affecting coverage;
5. There is a material failure by the retiree or dependent to abide by the rules and/or policies and procedures of NMRHCA Plan;
6. The retiree requests cancellation of any or all Plans (the effective date of cancellation will depend on the date NMRHCA receives the written request);
7. The retiree dies (right of survivorship will continue to be offered to the retiree's eligible spouse until his/her death, and to the retiree's eligible dependents until their death, marriage, or ineligibility).

A Member is required to **switch** from this non-Medicare Plan to a Medicare-secondary plan when he/she becomes eligible for Medicare. Contact NMRHCA at **1-800-233-2576** for more information.

## HOW COVERAGE MAY CONTINUE

If a Member loses coverage under this Plan, there are a number of ways that health care coverage can be continued:

### CONTINUATION OF COVERAGE

The COBRA law allows the continuation of health care coverage for a retiree and/or his/her Dependents when they are no longer eligible for these reasons:

- The retiree's spouse ceases to be an eligible dependent as a result of divorce or legal separation; or
- The retiree's dependent child ceases to be an eligible dependent; or
- The retiree ceases to receive a pension.

To obtain this continuous coverage, the person who wants to continue coverage must submit written notice to NMRHCA **within 60 days** after the event that caused the ineligibility. NMRHCA will give a written election notice of the right to continue the coverage. If the person wants to continue the coverage, this notice must be completed and returned to NMRHCA **within 60 days** of the latter of.

- The date the coverage would otherwise have ended; or
- The date of the notice informing the person of the right to continue; but in no event may election be made more than 120 days after the retiree's death (150 days after the dependent's ineligibility date).

The first payment for the continued coverage must be made by the **45th day** after the date the election notice is completed. If this is done, the coverage will be continued until the first of these dates:

- 36 months from the earliest of the following events:
  - Retiree's death; or

- Retiree's divorce or legal separation from his/her spouse; or
- The retiree's dependent child ceasing to be an eligible dependent as specified by NMRHCA state law.
- If the person fails to make any payment required by NMRHCA for the continued coverage, the end of the period for which the person has made the required payments.
- The day the person becomes covered under any other health plan for persons in a group, on an insured or uninsured basis. However, coverage is not prevented from being continued until the end of any period under the other health plan for which pre-existing conditions are excluded and benefits for them are limited.
- The day the person becomes entitled to Medicare benefits.
- NMRHCA Plan providing the coverage ends.

For this continuation of coverage provision, all other terms of the Plan will apply, except that unearned premiums will be paid to that person's estate. When the person who elected the continuation right dies, and the person was:

- The retiree's spouse, benefits will be paid to:
  - The spouse's estate, if the spouse survived his/her dependent children; or
  - The person or institution appearing to the Claims Administration to have assumed the main support of the eligible dependent children, if the spouse did not survive his/her dependent children.
- The retiree's Dependent child, benefits will be paid to the child's estate.

## MEDICARE

Within three months before you or your spouse becomes age 65, or if you or a covered dependent qualifies for Medicare benefits for any other reason, contact the local Social Security office to establish Medicare eligibility. NMRHCA will send you information about your coverage options about three months before the month in which you turn 65. Members, who are eligible for both parts of Medicare, whether or not they choose to enroll, can be covered under one of the Medicare-primary plans; they are not eligible for this Plan.

**Note:** Members who are not eligible for premium-free Medicare Part A should apply for Medicare Part B. Although Medicare allows you to reject Medicare Part B, you are strongly encouraged to purchase it; otherwise, you will have to pay the portion of your claims that would have been covered by Medicare Part B.

For participants who are not enrolled in Medicare Part B, benefit payments will be calculated as if Medicare had paid 80% of the billed charge for a Covered Service (this amount is the Member's responsibility and does **not** accrue to the Out-of-Pocket Maximums). Benefit payments will be either:

- The remaining 20% of the billed charge for a Covered Service, or
- The amount the Plan would have paid as primary payer (based on the Presbyterian Health Plan maximum allowable fee) – whichever is less.

## ID CARD

Your Plan ID card identifies the cardholder and your coverage. Carry it with you.

When you present your card to In-network Providers, they know that you receive special benefits – they will file claims for you and will obtain any needed pre-admission review or other **Prior Authorizations**. You are responsible for any Copayments, Coinsurance, or expenses for non-Covered Services.

Your Member identification number and your group number are on your ID Card. Each of your Dependents will also receive an ID card. The reverse side of your ID card provides the address for PHP and some important telephone numbers for your use while using the Plan. It is important that you always show each individual's own ID card when obtaining care.

If you want additional cards or need to replace a lost card, contact a Presbyterian Customer Service Center representative, Monday through Friday, between 7 a.m. and 6 p.m. at **(505)-923-5600** or toll free at **1-888-275-7737 (Ask-PRES)**. TTY users may call **711**.

This card is part of your coverage. Do not let anyone who is not named in your coverage use your card to receive benefits.

## COVERED SERVICES

Benefits are subject to the Copayments, Deductibles, and Coinsurance listed in the *Summary of Benefits*. Please refer to the Limitations and Exclusions Section, for details regarding the Limitations and Exclusions applicable to this Plan. **Any services received must be Medically Necessary to be covered.**

**Note:** If you disagree with Presbyterian Health Plan's decision regarding the Medical Necessity of any item or service, you may file a complaint. You may also request an external review of Presbyterian Health Plan's decision at any time. See "Grievance Procedures" in Filing Claims Section.

### ACCIDENTAL INJURY/MEDICAL EMERGENCY CARE/URGENT CARE

#### MEDICAL EMERGENCY CARE

Emergency - Medical or surgical procedures, treatments, or services delivered after the sudden onset of what reasonably appears to be a medical condition with symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected by a reasonable layperson to result in jeopardy to his/her health; serious impairment of bodily functions; serious dysfunction of any bodily organ or part; or disfigurement. (Initial treatment must be sought within 48 hours or as soon as reasonably possible of the accident or onset of symptoms to qualify as emergency care). Acute Medical Emergency care is available 24 hours per day, seven days a week.

The Plan will provide reimbursement when a Member, acting in good faith, obtains emergency Medical Care for what reasonably appears to the Member, acting as a reasonable layperson, to be an acute condition that requires immediate medical attention, even if the patient's condition is subsequently determined to be non-emergent.

No notification or **Prior Authorization** is required for Out-of-network (including out-of-state) Hospitals or treatment facilities for Medical Emergency services. Physician and other professional provider care received during the visit are subject to deductible and coinsurance, in addition to the Copayment listed for the facility services.

Coverage for trauma services and all other emergency services will continue at least until the Member is medically stable, does not require critical care, and can be safely transferred to another facility based on the judgment of the Attending Physician in consultation with Presbyterian Health Plan. Presbyterian Health Plan may request that the Member be transferred to a Hospital participating in its network, if the patient is stabilized and the transfer completed in accordance with federal law.

If your emergency treatment requires direct Admission to the Hospital, you are responsible for the Deductible, and Hospital Coinsurance. However, the Copayment and/or Coinsurance for the Emergency Room are waived.

## **URGENT CARE**

Urgent Care means Medically Necessary Health Care Services provided in emergencies, or after normal business hours for unforeseen conditions due to illness or injury that are not life threatening but require prompt medical attention. Examples of Urgent Care situations include, but are not limited to, sprains, high fever, minor cuts requiring stitches, and significant vomiting or diarrhea.

The Plan will reimburse for all Covered Services rendered that satisfy this definition, unless otherwise limited or excluded, if provided by a licensed Provider and/or an appropriate facility for treating urgent medical conditions. Members may contact Presbyterian Health Plan Customer Services Center for information regarding the closest In-network Provider facility that can provide Urgent Care.

For Urgent Care received by out-of-state, no notification is required. The Member will be responsible for charges **not Covered** by the Plan.

## **ACUPUNCTURE SERVICES**

Acupuncture treatment is a benefit only if performed by a licensed Physician, Doctor of Osteopathy, or Doctor of Oriental Medicine acting within the scope of his/her license.

Benefits for Acupuncture, including office calls and treatment are limited as specified in the *Schedule of Benefits*, in combination with chiropractic, Rolfing, and massage therapy services. In addition, for ancillary treatment modalities associated with Acupuncture services, other Plan limitations may apply.

## **AMBULANCE SERVICES**

**This Benefit has one or more exclusions as specified in the Exclusions section.**

Benefits are available for professional Ambulance Services if they are Medically Necessary to protect the life of the Member, and transportation is to the closest Hospital that can provide Covered Services appropriate to the Member's condition.

*Ambulance Service* means local transportation in a specially designed and equipped vehicle used only for transporting the sick and injured. Air ambulance is a benefit when Medically Necessary, such as for a high-risk Maternity or newborn transports to a tertiary care facility.

*A tertiary care facility* is a Hospital unit that provides:

- Complete perinatal care occurring in the period shortly before and after birth;
- Intensive care of intrapartum occurring during childbirth or delivery;
- Prenatal high-risk patients; and
- Provides for the coordination of transportation, communication, and data analysis systems for the geographic area served.

Highly specialized medical care usually over an extended period of time that involves advanced and complex procedures and treatments performed by medical specialists in state-of-the-art facilities.

If Medically Necessary ambulance transportation is required between medical facilities, the ambulance Deductible and/or Coinsurance is waived.

The ambulance Copayment or Deductible and Coinsurance is waived if transportation results in an Inpatient Hospital Admission.

There are no benefits when the ambulance transportation is primarily for the convenience of the Member, the Member's family, or the healthcare Provider. If use of an ambulance (air/ground) is determined not to be medically necessary, it can be denied. This includes, but is not limited to, use of an ambulance to transfer a patient to a lower level of care facility or their home.

## **AUTISM SPECTRUM DISORDER**

The diagnosis and treatment for Autism Spectrum Disorder is covered in accordance with the state mandate as follows:

1. Diagnosis for the presence of Autism Spectrum Disorder when performed during a well-child or well- baby screening; and/or

## FILING CLAIMS

This is an HMO-type Plan wherein the In-network Providers have agreed to file your claims directly to Presbyterian Health Plan and payment is made directly to the Provider.

On occasion you may access care from an Out-of-network Provider such as in an emergency when you are traveling out of the service area. In such cases you may have to file a claim yourself.

### EMERGENCY SERVICES OR OUT-OF-NETWORK PROVIDERS

In some cases, Hospital, laboratory, X-ray, and clinic claims are filed by the Out-of-Network Providers, as well as In-network. Out-of-network Providers may also file claims for you.

You will be required to submit claim forms when your Out-of-network Provider does not file them for you. Submit all claims as the services are received and attach the itemized bill for services or supplies. Do not file for the same service twice unless requested by one of our Presbyterian Customer Service Center representatives.

The Member Claim Forms are available from a Presbyterian Health Plan Member Services representative, who can also answer your questions about completing the claim form. Claim forms can also be printed from the Presbyterian website at [www.phs.org](http://www.phs.org). Please mail the claim forms and itemized bills to:

Presbyterian Health Plan, Inc.  
Attn: NMRHCA DSU  
P.O. Box 27489  
Albuquerque, NM 87125-7489

Phone: (505) 923-5600 or toll free at 1-888-275-7737

**Claims must be submitted no later than 12 months after the date a service or supply was received.** If your provider does not file a claim for you, you are responsible for filing the claim within the **12-month** deadline. **Claims submitted after the 12-month deadline are not eligible for benefit payments.** If a claim is returned for further information, you must resubmit it within **90 days**.

### OUT-OF-NETWORK SERVICE CLAIMS

When you obtain Provider or Outpatient Hospital services from an Out-of-network Provider, the Provider, Hospital, Provider or you should file the claims with Presbyterian Health Plan. If the Provider or Hospital does not file the claims, ask for an itemized statement and complete a Presbyterian Health Plan claim form for the services received from the out-of-network Provider. The provider may require that you pay for services up-front and then wait for the Presbyterian Health Plan to process the claim (see “How Payments are Made” below). Out-of-network

Presbyterian Customer Service Center: (505) 923-5600 or 1-888-275-7737

providers are not required to accept the Presbyterian Health Plan determined allowable amount as payment in full and may balance-bill you the difference between the allowed amount of this Plan and the amount they charged for their services.

## **CLAIMS OUTSIDE THE UNITED STATES**

Coverage outside the United states is limited to Emergency and Urgent Care only. Members are responsible for ensuring that claims are appropriately translated and that the monetary exchange rate is clearly identified when submitting claims for services received outside the United States. The Provider may require that you pay for services up-front and then wait for Presbyterian Health Plan to process the claim. (See “How Payments are Made” below).

## **ITEMIZED BILLS**

When you file a claim, itemized bills must be submitted on the Provider’s billing forms or the Provider’s letterhead stationery and must show:

- Name and address of the Provider or other healthcare provider;
- Full name of the patient receiving treatment or services; and
- Date, type of service, diagnosis, and charge for each service separately.

The only acceptable bills are those from healthcare providers. Canceled checks, balance due statements, cash register receipts or bills you prepare yourself are not acceptable. Please make a copy of all itemized bills for your records before you send them because the bills are not returned to you. Itemized bills are necessary for your claim to be processed so that all benefits available under this Plan are provided.

If your itemized bill(s) include services previously filed, identify clearly the new charges that you are submitting.

## **PRESCRIPTION DRUG CLAIMS**

If you need to submit a claim for Presbyterian Drugs, that claim must be sent to the APS prescription drug Plan Administrator, not a Presbyterian Health Plan. Please refer to Express Scripts brochure or call them at **1-800-501-0987** for the claims filing procedures for Prescription Drugs.

## **HOW PAYMENTS ARE MADE**

Payments for Covered Services usually are sent directly to In-network Providers, including preferred Hospitals/treatment facilities. Payments to Out-of-network Providers are sent to the Member unless the Member has assigned benefits to the Provider.

Provider payments are based upon In-network Provider agreements and the Negotiated Fee for Service as determined by Presbyterian Health Plan. You are responsible for paying all Copayments, Coinsurance, and non-Covered Services.

If you obtain services from an Out-of-network Provider, you are responsible for any amounts greater than Reasonable and Customary amounts. You are also responsible for paying all Copayments, Coinsurance, and non-Covered Services.

Payment of benefits for Members eligible for Medicaid is made to the New Mexico Human Services Department or to the Medicaid Provider when required by law.

Additional information may be requested to process your claim, coordinate benefits, or protect the subrogation interest. You must supply the information or agree to have the information released by another person to Presbyterian Health Plan.

You may be requested to have another Physician examine you if there are questions about a **Prior Authorization** review or about a particular service or supply for which you are claiming benefits. In this event, the Plan will Cover the requested examination.

## **OVERPAYMENTS**

If payments made by Presbyterian Health Plan are greater than the benefits you have under this Plan, you are required to refund the excess. In the event that you do not, future benefits may be withheld and applied to the amount that you owe to Presbyterian Health Plan.

When possible, this Plan will honor an assignment of benefits; however, Presbyterian Health Plan reserves the right to pay the subscriber directly and to refuse to honor an assignment of benefits to pay anyone other than the subscriber in any circumstances.

## **COORDINATION OF BENEFITS**

This Plan contains a Coordination of Benefits (COB) provision that prevents duplication of payments. Under this provision, if a Member is eligible for healthcare benefits under any other valid coverage, the combined benefit payments from all coverages cannot exceed 100% of the covered expenses. *Other valid coverage* means all other insurance policies, which may include Medicare, that provide payments for medical expenses.

If a Member is covered by both Medicare and this Plan and is not a retiree, special COB rules may apply. Contact one of our Presbyterian Customer Service Center representatives for more information.

If a Member is currently covered under COBRA provisions, coverage ceases at the beginning of the month in which the Member either becomes enrolled for any other valid coverage, or until the COBRA period expires, whichever occurs first.

The following rules determine order of benefit determination between this Plan and any other plan covering a Member not on COBRA continuation on whose behalf a claim is made:

1. No COB Provision. If the other valid coverage does not include a COB provision, that coverage pays first and this Plan pays secondary benefits.
2. Participant/Dependent. If the Member who received care is covered as the participant under one plan/coverage and as a Dependent under another, the employee's coverage pays first. If the Member is also a Medicare beneficiary, and Medicare is secondary to the plan covering the person as a Dependent of an active participant, then the order of benefit determination is:
  - a. benefits of the plan of an active worker covering the Medicare beneficiary as a Dependent;
  - b. Medicare;
  - c. benefits of the plan covering the Medicare beneficiary as the policyholder or as an active or retired participant.

If the Member has other valid coverage, please contact the other carrier's Customer Service department to determine if that coverage is primary or secondary to Medicare. There are many federal regulations regarding Medicare Secondary Payer provisions, and other coverage may or may not be subject to those provisions.

3. Dependent Child/Parents Not Separated or Divorced. If the Member who receives care is a Dependent child, the coverage of the parent whose birthday falls earlier in the Calendar Year pays first. If the other valid coverage does not follow the birthday rule, then the gender rule applies (that is, the male parent's coverage pays first).
4. Child/Parents Separated or Divorced. If two or more plans cover a Member as a Dependent child of divorced or separated parents, benefits for the child follow these rules:
  - a. Court-Decreed Obligations. Regardless of which parent has custody, if a court decree specifies which parent is financially responsible for the child's healthcare expenses, the coverage of that parent pays first.
  - b. Custodial/Non-Custodial. The plan of the parent with custody of the child pays first. The plan of the spouse of the parent with custody of the child pays second. The plan of the parent not having custody of the child pays last.
  - c. Joint Custody. When a court decree specifies that the parents share joint custody, without stating that one of the parents is responsible for the healthcare expenses of the child, the plans covering the child follow the order of benefit determination rules applicable to children whose parents are not separated or divorced.
5. Active/Inactive Participant. If the Member who received care is covered as an active participant under one plan/coverage and as an inactive participant under another, the coverage through active employment pays first. Likewise, if a Member is covered as the

Dependent of an active participant under one plan/coverage and as the Dependent of the *same* but *inactive* participant under another, the coverage through active employment pays first. If the other plan does not have this rule and if, as a result, the plans do not agree on the order of benefits, the next rule applies.

6. Longer/Shorter Length of Coverage. When none of the above applies, the coverage in effect for the longest continuous period of time pays first. The start of a new plan does not include a change in the amount or scope of a plan's benefits, a change in the entity that pays, provides, or administers the plan's benefits or a change from one type of plan to another.

If you receive more than you should have when benefits are coordinated, you are required to repay any overpayment.

Your other valid coverage may be with a Health Maintenance Organization (HMO), a Preferred Provider Organization (PPO), or another program that limits or excludes benefits if you do not meet the obligations for obtaining **Prior Authorization** of care, for obtaining the proper level of care for the condition treated or for obtaining services from providers authorized or recognized by your primary carrier. If you do not meet these obligations and your primary benefits are reduced as a result, Presbyterian Health Plan limits its secondary benefit payment to the difference between the Presbyterian Health Plan Negotiated Fee-for-Service for the service received and the amount that would have been paid if you had met the obligations recognized by your primary carrier.

## EFFECT OF MEDICARE ON BENEFITS

Shortly before you or your spouse becomes age 65, or if you or any other family Member becomes qualified for Medicare benefits, contact your local Social Security office to establish Medicare eligibility. Then, contact your agency group representative to discuss coverage options.

If you are a working Member age 65 or over and your spouse age 65 or over, you are eligible to continue the New Mexico Retiree Health Care Authority Plan coverage on the same basis as Members under age 65.

When a retiree becomes eligible for Medicare, Medicare is primary and benefits are paid according to the Coordination of Benefits provisions of this Plan.

If Medicare coverage coexists with this Plan, Medicare will be secondary until the Plan pays primary for at least 30 months from the date the Member became eligible for or entitled to Medicare on the basis of **end-stage renal disease**. A person Eligible under Medicare is defined as a Member or Dependent who is enrolled and covered under the voluntary portion (Part B) of Medicare, or who has been eligible to enroll under such part. All individuals who are eligible to enroll for Medicare Part B but have not done so, will be treated the same as all other persons eligible under Medicare and **Presbyterian Health Plan will assume that eligible Members have Part B coverage. Plan benefits will be offset with Medicare Part B benefits** whether or not the Member actually receives them.

## EFFECT OF MEDICAID ON BENEFITS

Benefits payable on behalf of a Member who is qualified for Medicaid will be paid to the Plan when:

- The Plan has paid or is paying benefits on behalf of the Member under the Group's Medicaid program pursuant to Title XIX of the Federal Social Security Act; and
- The payment for the services in question has been made by the Plan to the Medicaid Provider.

Benefits payable on behalf of a Member who is qualified for Medicaid is made to the New Mexico Human Services Department or to the Medicaid Provider when required by law.

## OTHER VALID COVERAGE

All other insurance policies, including Medicare and other Medicare complementary or supplemental policies, both group and non-group (but **not** TriCARE, Medicaid, or Indian Health Service coverages, which are secondary to this Plan), that provide payments for medical services.

**For a work-related injury or condition, see the "Work-related conditions" exclusion in Section 5.** In accordance with the Retiree Health Care Act, the coverage provided by this Plan is secondary to all other valid coverage to which the eligible NMRHCA participant is entitled. NMRHCA Plan is also secondary to any NMRHCA dental or vision plan. (Contact NMRHCA at **1-800-233-2576** for coordination of benefits information for prescription drug services). When a Member is eligible for benefits under any other valid coverage, the combined benefit payments from all coverage cannot exceed 100% of the covered expenses.

**Note:** If you are eligible for Medicare Part B but have not enrolled, you will be responsible for the amount that Medicare Part B would have paid had you enrolled.

If a Member is currently covered under the continuation of coverage provision, coverage ceases at the beginning of the month in which the Member either reaches age 65 or first becomes eligible for any other valid coverage, unless a pre-existing condition limitation applies, or until the continuation of coverage period expires, whichever occurs first. If you receive more than you should have when benefits are coordinated, you are expected to repay any overpayment. Your other valid coverage may be with a Health Maintenance Organization (HMO), a Preferred Provider Organization (PPO), or another program that limits or excludes benefits if you do not meet the obligations for obtaining **Prior Authorization** of care, for obtaining the proper level of care for the condition treated, or for obtaining services from Providers authorized or recognized by your primary carrier. If you do not meet these obligations and your primary benefits are reduced as a result, this Plan will limit its secondary benefits payment to the difference between covered charges for the service received and the amount that would have been paid by your other coverage. (Admission review and prior approval requirements are waived under this Plan if this Plan is secondary to other coverage). Primary benefit reductions are not eligible for payment under this Plan.

## **RESPONSIBILITY FOR TIMELY NOTICE**

Presbyterian Health Plan is not responsible for coordination of benefits if timely information is not provided.

## **FACILITY OF PAYMENT**

Whenever any other plan makes benefit payments that should have been made under this Plan, Presbyterian Health Plan has the right to pay the other plan any amount Presbyterian Health Plan determines will satisfy the intent of this provision. Any amount so paid will be considered to be benefits paid under this Plan, and with that payment Presbyterian Health Plan will fully satisfy its liability under this provision.

## **RIGHT OF RECOVERY**

Regardless of who was paid, whenever benefit payments made by Presbyterian Health Plan exceed the amount necessary to satisfy the intent of this provision, Presbyterian Health Plan has the right to recover the excess amount from any persons to or for whom those payments were made, or from any insurance company, service plan, or any other organizations or persons.

## **THIRD-PARTY LIABILITY SUBROGATION**

Third-party liability exists when someone else is or may be legally responsible for your condition or injury. When a third party is liable for the costs of any Covered Service, NMRHCA has subrogation rights. This means that NMRHCA has the right, either as co-plaintiff or by direct suit, to enforce your claim against a third party for the benefits paid to you or on your behalf. If NMRHCA provides benefits, NMRHCA has a direct first-party priority lien against any money you may recover from a third party or any other source as a result of the condition or injury. NMRHCA's lien must be satisfied regardless of the amount you recover. If a third party is or may be liable for the cost of or charges for any Covered Services, the following actions must be taken:

- You must promptly notify Presbyterian Health Plan and NMRHCA of the claim against the third party.
- If you receive money for the claim by suit, settlement, or otherwise, you or your attorney must reimburse NMRHCA for the amount of benefits provided under this Plan or an amount agreed upon with NMRHCA. You may not exclude recovery for NMRHCA health care benefits from any type of damages or settlement recovered.

You must cooperate in every way necessary to help NMRHCA enforce its subrogation rights. You may not take any action that might prejudice NMRHCA's subrogation rights. When you fail to cooperate in satisfying NMRHCA's subrogation interest and NMRHCA must file a lawsuit against you or the third party in order to enforce its rights under this provision, you or any of

your Dependents receiving benefits under this Plan will be responsible for attorneys' fees and costs incurred by Presbyterian Health Plan and NMRHCA.

## **SUBROGATION**

When this Plan pays for your care and you have the right to recover those expenses from the person or organization causing your illness or Accidental Injury, Presbyterian Health Plan has the right of subrogation to recover the amount it has paid. This right of subrogation against the third party may be exercised even if you do not file a legal action. The right of subrogation applies whether you recover directly from the wrongdoer or from the wrongdoer's insurer, or from your uninsured motorist insurance coverage. This applies to any and all moneys a Member may receive from any third party or insurer, or from any uninsured or underinsured motorist insurance benefits, as well as from any other person, organization or entity.

You have the legal obligation to help recover the amounts paid, and you must do nothing that would prejudice Presbyterian Health Plan's subrogation right. You must notify Presbyterian Health Plan if you file a claim, consult an attorney, or bring action against a third party. If contacted by Presbyterian Health Plan, you must provide all requested information. Settlement of a controversy without prior notice to Presbyterian Health Plan is a breach of this agreement. In the event that you fail to cooperate with Presbyterian Health Plan or take any action, through agents or otherwise, to interfere with the exercise of a subrogation right of Presbyterian Health Plan, Presbyterian Health Plan may recover its benefit payments from you.

## **ASSIGNMENT OF BENEFITS**

Your benefits under the Plan generally cannot be transferred or assigned in any way, except as required under a Qualified Medical Child Support Order (QMCSO). A qualified child support order is a court order that may be granted in the case of a divorce.

## **FRAUDULENT APPLICATION OR CLAIM**

If you knowingly make a false statement on your enrollment Application or file a false claim, such Application or claim will be revoked retroactively back to the date of the Application or claim. Any premiums collected from the Member for coverage that is later revoked due to a fraudulent Application, will be refunded to the Member by the Plan. If a claim is paid by Presbyterian Health Plan and it is later determined that the claim should not have been paid due to a fraudulent Application or claim, the Member shall be responsible for full reimbursement of the claim amount to Presbyterian Health Plan.

**Toll-free:** 1-855-4-ASK-OSI

PHP has established written procedures for reviewing and resolving your Grievances and concerns. There are two different procedures, depending on the type of Grievance.

*Adverse Determination Grievances:* If your Grievance concerns a decision by PHP to deny, reduce or terminate a requested healthcare service on the grounds that it is either not a Covered benefit or it is not Medically Necessary, the Grievance will be subject to the utilization management review procedure. (See "Adverse Determination Appeal Review Procedures" below).

*Administrative Grievances:* If your Grievance concerns any other action or inaction by PHP concerning any other aspect of PHP's health benefits plan, other than the request for Health Care Services, including, but not limited to, administrative practices of the healthcare insurer that affect the availability or delivery of healthcare services, claims payment, handling or reimbursement for healthcare services and terminations of coverage, then the Grievance will be subject to the administrative Grievance review procedure. (See "Administrative Grievance Procedures" on next page).

Any Grievance may be submitted orally or in writing. If you make an oral Grievance, the Presbyterian Customer Service Center or the Consumer Assistance Office will assist you to complete the required forms. **Please be advised that PHP shall not take any retaliatory action against you for filing a Complaint.**

You may request a copy and detailed written explanation of the Grievance procedures by calling PHP at **(505) 923-5644** or toll-free at **1-800-356-2219**. TTY users may call **711**.

Members have 180 days from the date of the initial denial to file an appeal with Presbyterian Health Plan.

## **ADVERSE DETERMINATION REVIEW PROCEDURES**

When you or your treating healthcare professional requests a healthcare service, PHP shall initially determine whether the requested healthcare service is Covered by your health benefits plan and is Medically Necessary within 72 hours where circumstances require expedited review and 24 working days for all other cases. If PHP's initial review results in the denial, reduction or termination of the requested healthcare service, then PHP will notify you of the determination and of your right to request an internal review by PHP.

You may request an internal review orally or in writing by contacting:

Presbyterian Health Plan  
Grievance Department  
9521 San Mateo NE, Albuquerque, NM 87113

Phone: **(505) 923-5644** or toll-free at **1-800-356-2219**

Fax: **(505) 923-6111**

E-mail: **gappeals@phs.org**

You may also contact the Office of Superintendent of Insurance at **505-827-4601** or toll free at **1-855-427-5674** for assistance.

PHP's internal Adverse Determination appeal review procedures require an initial review by a PHP medical director and then, if necessary, a second review by a medical panel. Both reviews must be completed within 72 hours when the circumstances require expedited review or within 30 calendar days of receipt of the request for internal review in all cases in which the request for review is made prior to the services requested, and does not require expedited review, and within 60 calendar days of receipt of the request in all post-service requests for internal review. If PHP's medical director decides to uphold the denial, reduction or termination of the requested healthcare service, then PHP will notify you of the medical director's decision by telephone and mail and will ask you whether you want a second review by a medical panel selected by the healthcare insurer.

If you indicate that you want a second review of your Appeal by a medical panel, then PHP will notify you of the date, time and location of the medical panel review and of your rights to participate in the review.

With each notice of a rescission of coverage or final adverse benefit determination, we will provide written notice of your right for an independent review of the determination by an IRO.

## **EXTERNAL REVIEW BY NMRHCA**

If you are not satisfied with PHP's decision, you may Appeal the decision within 30 days of the day the Grievance decision was made. You may request an internal review in writing by contacting the NMRHCA. Upon receipt of the formal complaint, the NMRHCA will review the case and respond to the parties involved within 30 days. If the formal complaint is due to an emergent situation, a response will be given within 48 hours of receipt of such formal complaint. Contact the NMRHCA at:

### **The Final Decision of the IRO and Grievant's Right to Hearing after Final IRO Decision**

The decision of the IRO is binding upon Presbyterian as well as the grievant except to the extent that New Mexico law allows you to appeal to the superintendent for a hearing. This requirement that the decision is binding shall not preclude Presbyterian from making payment on the claim or otherwise providing benefits at any time, including after final external review decision that

Presbyterian Customer Service Center: (505) 923-5600 or 1-888-275-7737  
NMRHCA

01/01/2026

denies the claim or otherwise fails to require such payment or benefits. If you are dissatisfied with the denial of benefits by the IRO, you may request a hearing from the superintendent. The superintendent will automatically grant the hearing. Presbyterian will be responsible for paying for all costs associated with the hearing.

If a grievant is insured pursuant to the Health Care Purchasing Act, and the grievant requests a hearing, if a representative from the self-insured plan is not present at any pre-hearing conference or at the hearing required by OSI, Presbyterian will be deemed to speak on behalf of the self-insured plan.

You do not have to complete the internal appeal process before requesting an external review if:

- We fail to comply with requirements under federal regulations regarding denials and appeals, unless the failure to comply was a minor error that is not likely to cause prejudice or harm to you and was for good cause or a situation beyond our control; or
- We agree to waive the requirements for the internal appeal(s); or
- You are eligible for an urgent internal appeal, and request both an urgent internal appeal and urgent external review at the same time.

You will not be charged for pursuing an external review.

## **ADMINISTRATIVE GRIEVANCE REVIEW PROCEDURES**

If you are dissatisfied with a decision, action or inaction of Presbyterian Health Plan regarding a matter that does not involve the denial, reduction or termination of a requested health service, then you have the right to request, orally or in writing, that Presbyterian Health Plan internally review the matter. First, a Presbyterian Health Plan representative will review the Administrative Grievance and provide you with a written decision within 30 calendar days from receipt of the Administrative Grievance.

If you are dissatisfied with this decision, you may file a request for reconsideration from Presbyterian Health Plan. Presbyterian Health Plan will appoint a reconsideration committee to review the Administrative Grievance and will schedule a hearing. The reconsideration committee shall schedule and hold a hearing within fifteen (15) working days after receipt of a request for reconsideration. Presbyterian Health Plan will mail you a written decision within seven working days after the hearing.

## **EXTERNAL REVIEW BY NMRHCA**

If any party to the original Appeal declines to accept the decision of the Grievance Committee, that party has 30 days in which to file a formal complaint with NMRHCA Division. Upon receipt of the formal complaint, NMRHCA Division will review the case and respond to the parties involved within 30 days. If the formal complaint is due to an emergent situation, a response will be given within 48 hours of receipt of such formal complaint. Contact NMRHCA at:

You may file your request by:

You will need to provide copies of the decisions made by the Presbyterian Health Plan and the NMRHCA and any other supporting documentation or information. You may contact the Managed Health Care Bureau to assist you in this process.

The Superintendent will issue a written decision on the administrative grievance within twenty (20) working days of receipt of the complete request for external review.

You will receive a copy of any authorization you sign. You may revoke your authorization in writing, except your revocation cannot be effective to the extent the Plan has taken any action relying on your authorization for disclosure. Your authorization may not be revoked if your authorization was obtained as a condition for obtaining insurance coverage and any law provides the insurer with the right to contest a claim under the policy or the policy itself provides such right.

When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations. However, the minimum necessary standard will not apply in the following situations:

- Disclosures to or requests by a health care Provider for treatment;
- Uses or disclosures made to the individual;
- Disclosures made to HHS;
- Uses or disclosures that are required by law;

The following uses and disclosures of your PHI may be made by the Plan without your authorization or without providing you with an opportunity to agree or object to the disclosure:

In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, the Plan is not required to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives, although there may be circumstances under federal or state law when the parents or other representatives may not be given access to a minor's PHI.

One of those conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or any raised were resolved in favor of disclosure by the court or tribunal.

*For Other Law Enforcement Purposes.* The Plan may disclose your PHI for other law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Disclosures for law enforcement purposes include disclosing

information about an individual who is or is suspected to be a victim of a crime, but only if the individual agrees to the disclosure, or the Plan is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement, and disclosure is in the best interest of the individual as determined by the exercise of the Plan's best judgment.

*To a Coroner or Medical Examiner.* When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized or required by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.

*For Research.* The Plan may use or disclose PHI for research, subject to certain conditions.

*To Prevent or Lessen a Serious and Imminent Threat.* When consistent with applicable law and standards of ethical conduct, if the Plan, in good faith, believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

*State Privacy Laws.* Some of the uses or disclosures described in this Notice may be prohibited or materially limited by other applicable state laws to the extent such laws are more stringent than the Privacy Regulations. The Plan shall comply with any applicable state laws that are more stringent when using or disclosing your PHI for any purposes described by this Notice.
