Summary Plan Description and  
Guide to Your Exclusive Provider Organization  
(EPO) Plan

Albuquerque Public Schools

Offered by the Albuquerque Public Schools  
Administered by Presbyterian Health Plan, Inc.

## Welcome

This *Summary Plan Description* describes the medical benefits offered to eligible employees of Albuquerque Public Schools (APS).

The Albuquerque Public Schools medical plans are self-insured, in other words, our premium dollars go directly toward the payment of our healthcare claims. An administration fee is paid to Presbyterian Health Plan to serve as the Claims Administrator for the plan. The administration fee pays for claims processing and payment, customer service, Provider networking, ID Cards, booklets, and some wellness programs.

The APS medical plan offers FREE in-network preventive care. Please take advantage of this benefit after you enroll. Early diagnosis plays a big part in the eventual outcome of any health condition.

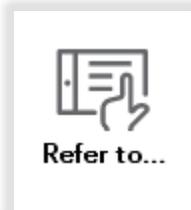

This booklet is intended to provide you with an easy-to-understand explanation of the Plan effective January 1, 2026. Every effort has been made to make these explanations as accurate as possible. In order to have a complete view of your medical plan benefits as an APS employee, in addition to this *Summary Plan Description*, you need to obtain a copy of the APS Employee Benefits Enrollment Guide. These documents are available on the APS website at <http://www.aps.edu/human-resources/benefits> or from the APS Employee Benefits Department. If any conflict should arise between this booklet and the claims administrative procedures of our Claims Administrator, Presbyterian Health Plan, Inc., or if any provision is not covered or only partially covered in this booklet, the terms of the Professional Services Agreement between Albuquerque Public Schools and Presbyterian Health Plan, Inc., and the APS Employee Benefits Enrollment Guide will govern in all cases.

This booklet does not imply a contract of employment. The Albuquerque Public Schools reserves the right to terminate, modify, or change this Plan or any provision of this Plan at any time.

It is your responsibility to read and understand the terms and conditions in this booklet. We urge you to read it carefully and use it to make well-informed benefit decisions for you and your family. If you have questions after you have read this *Summary Plan Description*, please call the Presbyterian Customer Service Center at **(505) 923-5600** (in Albuquerque), or toll-free at **1-888-275-7737**. TTY users may call **711**. You may also contact the APS Employee Benefits Department if you have general questions.

## Understanding This Summary Plan Description

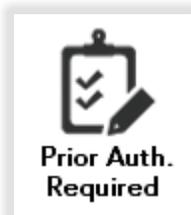

We use visual symbols throughout this *Summary Plan Description* (SPD) to alert you to important requirements, restrictions and information. When one or more of the symbols is used, we will use bold print in the paragraph or section to point out the exact requirement, restriction, and information. These symbols are listed below:

**Refer To** – This “Refer To” symbol will direct you to read related information in other sections of the SPD or *Summary of Benefits and Coverage* when necessary. The Section being referenced will be bolded.

**Exclusion** – This “Exclusion” symbol will appear next to the description of certain Covered Benefits. The Exclusion symbol will alert you that there are some services that are excluded from the Covered Benefits and will not be paid. You should refer to the Exclusion Section when you see this symbol.

**Prior Authorization Required** – This “Prior Authorization” symbol will appear next to those Covered Benefits that require our Authorization (approval) in advance of those services. To receive full benefits, your In-network Practitioner/Provider must call us and obtain Authorization before you receive treatment. You must call us if you are seeking services Out-of-network. In the case of a Hospital in-patient admission following an Emergency Room visit, you or your provider should call as soon as possible.

**Timeframe Requirement** – This “Timeframe” symbol appears to remind you when you must take action within a certain timeframe to comply with your Plan. An example of a Timeframe Requirement is when you must enroll your newborn within **60 days** of birth.

**Important Information** – This “Important Information” symbol appears when there are special instructions or important information about your Covered Benefits or your Plan that requires special attention. An example of Important Information would be if there are no Covered Benefits when you receive care Out-of-network.

**Call Presbyterian Customer Service Center** – This “Call PCSC” symbol appears whenever we refer to our Presbyterian Customer Service Center or to remind you to call us for information.

In addition, some important terms used throughout this SPD and the *Summary of Benefits and Coverage* will be capitalized. These terms are defined in the Glossary of Terms Section.

## Introduction

Albuquerque Public Schools (APS) provides group healthcare coverage through the Exclusive Provider Organization (EPO) Medical Plan (Plan) administered by Presbyterian Health Plan, Inc. You may select an In-network Primary Care Provider (PCP) to direct your healthcare needs. While not required, it is highly recommended that you select an In-network PCP at the time of our initial enrollment. Please refer to the PHP Provider Directory or the Presbyterian website at [www.phs.org](http://www.phs.org) when selecting your In-network PCP.

If you obtain services from an In-network Provider/Practitioner, you will not have to file any claims. In-network Providers are responsible for filing all claims to PHP.

This booklet is your *Summary Plan Description* and Plan guide. It describes the medical benefits offered to enrolled employees of Albuquerque Public Schools (APS). The *Summary Plan Description* explains how the Plan works, outlines limitations and exclusions, and indicates how to request reconsideration of a claim (file an appeal or grievance).

You should know several basic facts as you read this booklet:

- Providers are Hospitals and other healthcare Professionals or facilities that provide Healthcare Services
- In-network PCP's and In-network Providers have contractual agreements with Presbyterian Health Plan, Inc. that allow lower out-of-pocket expenses and additional benefits for covered persons

- The Patient Protection and Affordable Care Act (also known as Health Care Reform) requires health plans to cover specific Preventive Care Services, including Women’s Preventive Care Services, at no cost to the member when the services are provided by an In-Network Participating Provider. Although these services are covered at no charge, the provider may charge a copayment for other services provided during the office visit. Additionally, some covered Family Planning services continue to require member cost sharing. If you have questions regarding the Preventive Care Services that are covered under this plan, including Family Planning Services, or your cost for these services, please refer to your Evidence of Coverage/ Summary Plan Description, or contact Presbyterian Health Plan at the phone number listed on your ID card. These services must be Medically Necessary as defined by the Summary Plan Description.
- Pre-Admission Review and/or Prior Authorization is required; \$300 penalty, reduction or denial may apply to facility and provider services if the required Pre-Admission Review and/or Prior Authorization is not obtained.
- This benefit includes an annual visit limitation. See your Summary Plan Description for more information.
- The Emergency Services copayment is waived if an inpatient hospital admission results; then the hospital admission deductible and coinsurance apply.
- Transplants are covered In-Network only. Case Management Services for transplant patients must be obtained from Presbyterian Health Plan at the phone number listed on your ID card.
- Patients are responsible for copayments or deductible and coinsurance related to place of service, ancillary services, and additional procedures performed at the same time. Prior Authorization rules still apply.
- An Exclusive Provider Organization (EPO) plan requires that you use only medical providers and facilities that are contracted, In-network Providers in the Presbyterian Health Plan EPO network. Only for enrolled dependents age 17-26, the Aetna Network is available as an extension of the Presbyterian Health Plan EPO network to provide access to contracted, in-network medical providers and facilities for this age group outside of New Mexico. This extended support is for employees enrolled college-age children/dependents age 17-26, who have moved outside New Mexico for college, trade school, employment opportunities, etc. Only claims that adhere to these EPO in-network

requirements will be paid. It is strongly recommended to confirm the in-network requirements will be paid. It is strongly recommended to confirm the in-network status of medical providers and facilities with the Presbyterian Customer Service Center line prior to engaging services.

## How The Plan Works

Your Exclusive Provider Organization (EPO) Plan requires that you use only medical Providers and facilities that are contracted, In-network Providers in the Presbyterian Health Plan EPO network. (Emergency and Urgent Care services are covered In-network and Out-of-network). Only for enrolled dependents age 17-26, the Aetna Network is available as an extension of the Presbyterian Health Plan EPO network to provide access to contracted, in-network medical providers and facilities for this age group outside of New Mexico. This extended support is for employees enrolled college-age children/dependents age 17-26, who have moved outside New Mexico for college, trade school, employment opportunities, etc. Only claims that adhere to these EPO in-network requirements will be paid. It is strongly recommended to confirm the in-network requirements will be paid. It is strongly recommended to confirm the in-network status of medical providers and facilities with the Presbyterian Customer Service Center line prior to engaging services.

### In-Network Providers

You may choose an In-network Primary Care Provider (PCP) to coordinate your care. In-network PCPs are Provider who have a contract with PHP to provide, coordinate, and manage your healthcare needs. In-network PCPs include family and general practice, internal medicine, and pediatric Provider who are conveniently located throughout the EPO network area. When you see an In-network PCP or any other In-network Provider/Practitioner, you pay a Copayment or Deductible/Coinsurance for most services. The In-network Provider/Practitioner handles any necessary Prior Authorizations for you.

In-network OB/GYNs can be seen without a referral. This benefit, called Open Access, allows female Members to see their OB/GYN for care related to pregnancy or any gynecological condition.

If you want to know more about your In-network Provider/Practitioner, the Presbyterian Customer Service Center can tell you information such as medical school attended, residency completed, and board certification status.

Only for enrolled dependents age 17-26, the Aetna Network is available as an extension of the Presbyterian Health Plan EPO network to provide access to contracted, in-network medical providers and facilities for this age group outside of New Mexico.

### Out-of-Network Providers

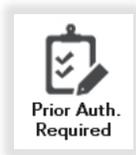

Out-of-network providers are those providers that are not part of the PHP provider network. Services provided by Out-of-network Providers other than in Out-of-network Student Health Centers, and except for urgent or emergency care, are excluded under this Plan.

## How to Access Care

Though not required, it is highly recommended that you select an In-network PCP to coordinate your healthcare needs. Your In-network PCP will be able to meet most of your healthcare needs. A list of In-network PCPs can be found in the PHP Provider Directory or on PHP website at [www.phs.org](http://www.phs.org). You may choose any doctor or nurse practitioner on that list as your In-network PCP. If you choose an In-network PCP from this list and notify PHP of your selection, that PCP information will appear on your ID Card.

## What is Prior Authorization?

**Prior Authorization** determines only the medical necessity of a procedure or an Admission and an allowable length of stay. **Prior Authorizations** do not guarantee payment, and do not validate eligibility (for example, to receive non-specified services from a particular Provider). Benefit payments are based on your eligibility and benefits in effect at the time you receive services. **Services not listed as covered and services that are not Medically Necessary are not covered.**

The **Prior Authorization** requirements affect whether the Plan pays for your Covered Services. However, **Prior Authorization** does not deny your right to be admitted to any Hospital.

**IMPORTANT:** If you have Coverage that includes Dependent or Family Medical Coverage, **Prior Authorization** requirements apply to your family Members who are also covered persons.

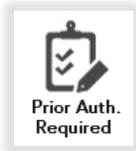

## What Procedures Require Prior Authorization?

Certain procedures or services, as identified on the Summary of Benefits and in the next subsection of this document, do require **Prior Authorization**. The responsibility for obtaining **Prior Authorization** is as follows:

- In-network Provider - When accessing services from an In-network Provider or an out of state Aetna provider, the In-network Provider is responsible for obtaining **Prior Authorization** from Presbyterian Health Plan before providing these services to you.

### Prior Authorization – Inpatient

If your In-network Provider recommends you be admitted as an Inpatient to a Hospital or treatment facility, your In-network Provider is responsible for any pre-admission review or **Prior Authorization** requirement for Inpatient Admissions. It is recommended that you check with Presbyterian Customer Service Center to confirm that any necessary Pre-Admission Review or Prior Authorization has been obtained before you receive the service. A \$300 penalty, reduction or denial may apply to facility and provider services if the required Pre-Admission Review and/or Prior Authorization is not obtained.

**Prior Authorization** is important because, if Presbyterian Health Plan determines that the Admission was for a covered service, but hospitalization was not Medically Necessary, **no** benefits are paid for Inpatient room and board charges, and these expenses do **not** apply toward the Out-of-pocket Maximum. Other Covered Services are paid as explained in the *Summary of Benefits* and the **Covered Services** Section. If the Admission is not for a covered service, **no** payment is made.

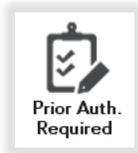

All Admissions for Behavioral Health and Alcoholism and/or Substance Use Disorder services require **Prior Authorization** from Presbyterian Health Plan's Behavioral Health Department (1-800-453-4347). If **Prior Authorization** is not obtained, services may not be covered if they do not fall within the benefits of this Plan. For emergencies, Presbyterian Health Plan Behavioral Health Department must be notified by the end of the next business day, or as soon

**Prior Authorization** procedures also apply in the event you are transferred from one facility to another, you are readmitted, or when a newborn child remains hospitalized after the mother is discharged. It is recommended that you check with Presbyterian Customer Service Center to confirm that any necessary **Prior Authorization** has been obtained.

### **Prior Authorization – Other Medical Services**

**Prior Authorization** requirements are subject to change at the discretion of Presbyterian Health Plan, and with the approval of the Albuquerque Public Schools. Contact the Presbyterian Customer Service Center, Monday through Friday from 7 a.m. to 6 p.m. at (505) 923-5600 or 1-888-275-7737 (TTY user may call 711) to verify services requiring Prior Authorization.

In addition to **Prior Authorization** for all Inpatient services, Prior Authorization is required for the following services. For certain services, Prior Authorization may be requested over the telephone. If Prior Authorization is not obtained for the following services, a \$300 penalty, reduction or denial may apply to the service and any related services. Your In-Network Provider will request Prior Authorizations for you this includes providers out of state on the Aetna network. ## Case Management Program

Presbyterian Health Plan’s Case Management Program is a program that, as early as possible, identifies patients who have the potential for having high-cost medical expenses, may require extensive hospitalization, or have complicated discharge planning needs so that cost-effective alternative care arrangements can be made. Special care arrangements are coordinated with the Provider and may include benefits for services that are not ordinarily covered. In addition, the case management program acts to assist the patient and Provider in complex situations and coordinates care across the healthcare spectrum.

## Transition of Care

If you are a new Member and are in an ongoing course of treatment with an Out-of-network Provider, you will be allowed to continue receiving care from this Provider for a transitional period of time (usually not to exceed **90 days**). Similarly, if you are in an ongoing course of treatment with an In-network Provider and that Provider becomes an Out-of-network Provider, you will be allowed to continue care from this Provider for a transitional period of time. Application must be made within **30 days** of the event. Please contact Presbyterian Customer Service Center, Monday through Friday, 7 a.m. to 6 p.m. at **(505) 923-5600** or **1-888-275-7737** for further information on Transition of Care. TTY users may call **711**.

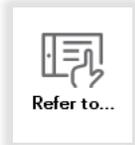

## Cost-Sharing Features

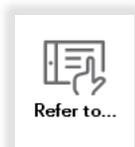

The Plan shares the cost of your healthcare expenses with you. The following describes the different cost-sharing methods available, as detailed in the *Summary of Benefits*.

## Copayment

For many services obtained from an In-network Provider, you pay a Copayment, and the Plan pays the allowed portion of the remainder. The Copayment is stated as a set dollar amount. See the *Summary of Benefits* for all applicable Copayments.

## Coinsurance

For some services, you will pay Coinsurance. This is the amount of the covered healthcare expense that is partially paid by the Plan and partially paid by you on a percentage basis. This Coinsurance is in addition to the Calendar Year Deductible you are responsible for and continues to be your responsibility after the Calendar Year Deductible is met. See the *Summary of Benefits* for Coinsurance amounts.

## Calendar Year Deductible (January 1 –December 31)

Some services are subject to a Calendar Year Deductible. The amount of your Calendar Year Deductible can be found in the *Summary of Benefits*. This Deductible must be paid by you each Calendar Year toward Covered Services **before** health benefits for that Member will be paid by the Plan (except for those services requiring only a Copayment).

For Single coverage, the annual Calendar Year Deductible requirement is fulfilled when one Member meets the individual Deductible listed in the *Summary of Benefits*.

For double coverage, the annual Calendar Year Deductible requirement is fulfilled when both Members each meet their individual Deductible listed in the *Summary of Benefits*.

For family coverage, with three or more enrolled Members, the entire Family Deductible must be met before benefits will be paid for the family. However, if one (family) Member reaches the Individual Deductible amount before the Family has met the Family Deductible, the Plan will begin paying benefits for that Member who has met the Individual Deductible. The Family and Individual Deductible amounts are listed in the *Summary of Benefits*.

## Calendar Year Out-of-Pocket Maximum

This Plan includes a Calendar Year Out-of-pocket Maximum amount to protect you from catastrophic healthcare expenses. After your Calendar Year Out-of-pocket Maximum is reached, the Plan pays 100%, for Covered Services for the remainder of that Calendar Year, up to the maximum benefit amounts. Refer to the *Summary of Benefits* for the Calendar Year Out-of-pocket Maximum amounts.

The Calendar Year Out-of-pocket Maximum includes the Deductible, Copayments and Coinsurance amounts listed in the *Summary of Benefits*. Penalty amounts, non-covered charges, prescription drugs and any amounts over Medicare Allowable Amounts are not included in the Out-of-pocket Maximum.

For single coverage, the Out-of-pocket Maximum requirement is fulfilled when one Member meets the Individual Out-of-pocket Maximum listed in the *Summary of Benefits*.

For family coverage, with two or more enrolled Members, the **entire** Family Out-of-pocket maximum must be met before benefits will be paid at 100%. However, if one (family) Member reaches the Individual Out-of-pocket maximum amount before the Family has met the Family Out-of-pocket maximum, benefits will be paid at 100% for that Member who has met the Individual Out-of-pocket maximum. The Family and Individual Out-of-pocket maximums amounts are listed in the *Summary of Benefits*.

## Maximum Benefits

There is no Lifetime maximum payment under the Plan. However, certain benefits are specifically limited and have maximum limits per Calendar Year or lifetime, as described in the *Summary of Benefits* and in the Limitations and Exclusions Section.

## Medically Necessary Services

Medically Necessary: A service or supply is Medically Necessary when it is provided to diagnose or treat a covered medical condition, is a service or supply that is covered under the Plan, and is determined by Presbyterian Health Plan's medical director to meet all of the following conditions:

- It is medical in nature
- It is recommended by the treating Provider
- It is the most appropriate supply or level of service, taking into consideration:
  - Potential benefits
  - Potential harms
  - Cost, when choosing between alternatives that are equally effective
  - Cost-effectiveness, when compared to the alternative services or supplies
- It is known to be effective in improving health outcomes as determined by credible scientific evidence published in the peer-reviewed medical literature (for established services or supplies, professional standards and expert opinion may also be taken into account)
- It is not for the convenience of the Member, the treating Provider, the Hospital, or any other healthcare Provider

Presbyterian Health Plan determines whether a healthcare service or supply is Medically Necessary and, therefore, whether the expense is covered. (Note: If you disagree with Presbyterian Health Plan's decision regarding the Medical Necessity of any item or service, you may file a Grievance or complaint. You may also request an external review of Presbyterian Health Plan's decision at any time. See "Grievance Procedures" in the Filing Claims Section). The fact that a Provider has prescribed, ordered, recommended, or approved a service or supply does not make it Medically Necessary or make the expense a Covered Service, even though it is not specifically listed as an exclusion.

## Healthcare Fraud Message

Insurance fraud may result in cost increases for this healthcare Plan. The following describes ways that you can help eliminate healthcare fraud:

- Be wary of offers to waive Copayments, Deductibles, or Coinsurance. These costs are passed on to you eventually.
- Be wary of mobile health testing labs. Ask what the insurance company will be charged for the tests.
- Always review the explanation of benefits (EOB) you receive from Presbyterian Health Plan. If there are any discrepancies, call one of our Presbyterian Customer Service Center representatives.
- Be very cautious about giving information about your insurance coverage over the telephone.

If you suspect fraud, please call the Presbyterian Customer Service Center at **(505) 923-5600** or **1-800-275-7737**, Monday through Friday, 7 a.m. to 6 p.m. TTY users may call **711**.

## Federal and State Health Care Reform

The APS self-funded medical plan and Presbyterian Health Plan (PHP) shall comply with all applicable state and federal laws, rules and regulations. In addition, upon the compliance date of any change in law, or the promulgation of any final rule or regulation which directly affects APS's or PHP's obligations under this *Summary Plan Description* will be deemed automatically amended such that APS and/or PHP shall remain in compliance with the obligations imposed by such law, rule or regulation.

## Employee Eligibility

Albuquerque Public Schools determines eligibility for employees and their family members and enrollment procedures. In order to have a complete view of your medical plan benefits as an APS employee, in addition to this *Summary Plan Description* you need to obtain a copy of the APS Employee Benefits Enrollment Guide. This document is available on the APS website at <https://www.aps.edu/human-resources/benefits> or from the APS Employee Benefits Department. Important eligibility and enrollment information is included in this APS document.

Every effort has been made to ensure that the information in this *Summary Plan Description* matches the information in the APS Employee Benefits Enrollment Guide. However, if there are discrepancies between this booklet and the APS document, the APS document will supersede this booklet.

Your coverage is one of the following types:

- Employee Only
- Two-Party, including the employee and their spouse/domestic partner or one child, or
- Family, including the employee, their spouse/domestic partner, and/or one or more Dependent child(ren)

## Dependent Eligibility

- The employee's spouse through legal marriage and not legally separated from the employee (common law marriages are not recognized under New Mexico State law unless you were in a recognized common law marriage in another state before you moved to New Mexico)

**Domestic Partners.** A domestic partner is a person of the same or opposite gender who meets the Albuquerque Public Schools qualifying criteria as a domestic partner. Domestic Partners are defined as couples who are in an exclusive and committed relationship for mutual benefit, similar to a marriage relationship in the State of New Mexico. Domestic Partners must share a common, primary residence for **12 or more** consecutive months, and must be jointly responsible for each other's common welfare, as well as shared financial obligations. Domestic Partners must be at least **18 years** of age and may not be married; nor can they be a member of another domestic partnership. Domestic partners are also forbidden from being blood relations to a degree of closeness that would prevent them from being married in the State of New Mexico. Visit or contact the APS Employee Benefits Department for more information and to obtain a copy of the Affidavit of Domestic Partnership that must be completed and submitted to the APS Employee Benefits Department, along with the required supporting documentation outlined in the APS Domestic Partner Policy to determine possible eligibility for domestic partner coverage.

- Married or unmarried children through the end of the month during which the child turns
- **age 26** as follows:
  - Biological children
  - Legal adoption or legal guardianship of a child. Evidence of placement by state licensed agency, governmental agency, or a court order/deed is required.
  - Stepchildren (or otherwise eligible child(ren) of a domestic partner) or children for whom you have court approved legal guardianship.
- Foster child living in the same household as a result of placement by a state licensed placement agency, so long as the foster home is appropriately licensed; evidence of placement and foster home licensure is required.
- Children for whom you have been ordered by a court of law or through administrative order to provide healthcare coverage.

The employee will be required to provide documentation for proof of eligibility; a Power of Attorney is not considered court approval.

- Children for whom you are legally responsible to provide healthcare coverage under a qualified medical child support order. A qualified medical child support order is a judgment, decree or order (including approval of a settlement agreement) that states you are legally responsible to provide healthcare coverage for that child.
- Disabled adult children who are unmarried and who were enrolled on the Plan as Dependents before **age 26**. The attainment of **age 26** shall not terminate the coverage under the Plan of a child who has been medically certified as disabled, is incapable of self-sustaining employment because of mental or physical impairment, and who is chiefly dependent upon you for maintenance and support. You must provide proof of the child's incapacity and dependency within **31 days** of the child reaching **age 26**, and every year

after that upon request by the Plan. A child whose coverage has terminated under the Plan due to reaching the age limit for coverage, and then becomes disabled, is not eligible to re-enroll as a disabled adult child.

Extended family members such as the spouse of a child (the employee's son-in-law or daughter-in-law), a divorced spouse, parents, parents-in-law, grandparents or any other relatives are not eligible under any circumstances. A court order to provide coverage for the extended family member does not require APS to grant eligibility to that Dependent.

If you have questions about your child's eligibility, contact the APS Employee Benefits Department for details and information regarding required supporting documentation to enroll your child.

Benefits are **not** provided for Hospital room and board or Inpatient Provider care for any Hospital Admission or portion of an Admission that is for a Member who is **not covered** or who, at the beginning of the Admission was **not** a Member, an eligible Dependent, or the natural-born child of an employee.

No individual may be covered under the Plan both as an Employee and as a Dependent, nor may any Child be covered as the Dependent of more than one Employee.

It is your responsibility to complete an Enrollment/Change Form with the APS Employee Benefits Department with any change in your coverage status, e.g. to add a newly acquired dependent. It is your responsibility to notify the APS Human Resources Department of a name or address change. APS will notify the Claim Administrator of these changes once you

The Claim Administrator reserves the right to verify your eligibility for coverage by requesting proof from you or from the APS Employee Benefits Department that a valid employer-employee relationship exists and that you otherwise meet all applicable eligibility requirements.

## **Enrolling For Coverage**

Albuquerque Public Schools (APS) determines eligibility for employees, and enrollment procedures. Refer to the APS Employee Benefits Enrollment Guide for eligibility and enrollment information. Enrollment is completed via the Winocular system. Every effort has been made to ensure that the information in this *Summary Plan Description* matches the information in the APS Employee Benefits Enrollment Guide. However, if there are discrepancies between this booklet and the APS document, the APS document will supersede this booklet.

For new benefit eligible APS employees, eligibility for Plan benefits commences on the first day of the month coincident with or next following date of hire. Date of hire is the first day of regular employment.

You must complete and submit an APS enrollment form within **60 calendar days** from your date of hire or initial eligibility date. If you decline coverage, or if you have not enrolled timely (within **60 calendar days** from your initial hire or eligibility date), you and/or your Dependents

will not be eligible to enroll until the next annual Switch/Open Enrollment, unless you qualify for Special Enrollment due to a qualifying life event.

An employee may also enroll for coverage within 60 days of incurring a change of status/qualifying life event. If you have a qualified change in status or as a result of a special enrollment event, you will be eligible to enroll for coverage within 60 calendar days of the change.

Once you complete an enrollment form, your elections remain in effect through the plan year – from January 1 to December 31. An employee may choose to disenroll or cancel coverage at the end of any month **ONLY** if they are paying their share of insurance premiums on an after-tax basis. **However, if the employee is enrolled in the APS Pre-tax Insurance Premium Payment Plan (PIPP), you may not disenroll or cancel your medical coverage until the end of the Calendar Year during Switch/Open Enrollment unless you experience a change of status/qualifying life event.**

Each year you will have an opportunity, during Switch/Open Enrollment (held by APS each year in October) to change your group health plan elections. Changes and/or new enrollment is done via the Winocular system. The choices you make at Switch/Open Enrollment will be effective the following January 1. Unless otherwise announced by the APS Employee Benefits Department, you and your Dependents will be automatically re-enrolled in the same medical plan option each year unless you complete a new enrollment form changing your election during the Switch/Open Enrollment period. If you are automatically re-enrolled in the same medical plan option for the new plan year, your benefits will be subject to any changes made to the plan design for the new plan year (i.e., changes to Copayments, Deductible, Coinsurance and any changes to covered benefits, or required premium contributions.

## **How To Enroll Dependents**

You may apply for coverage of your eligible dependents, which may mean changing from Employee only coverage to Two-Party or Family Coverage. Each additional Dependent added to your coverage must be enrolled within **60 days** of becoming eligible for the Plan. Coverage for newborns are effective on the date of birth, and coverage for newly adopted children is effective on the date of placement; provided any new dependent has been enrolled within **60 days** of that date. Enrollment is done via the APS Winocular system.

## **When Coverage Starts**

The Plan pays for Covered Services that a Member receives on or after their effective date of coverage, as long as a completed Enrollment Form and any required supporting documentation has been submitted to the APS Employee Benefits Department. If you have questions regarding the effective date of your or your Dependents coverage, refer to the APS Employee Benefits Enrollment Guide, or contact the APS Employee Benefits Department.

## **Health Insurance Portability & Accountability Act of 1996 (HIPAA)**

If you are declining enrollment for yourself or your Dependents (including your spouse) because

of other health insurance coverage, you may in the future be able to enroll yourself or your Dependents in this Plan. You must request and complete enrollment within **60 days** after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your Dependents, provided that you request and complete enrollment within **60 days** after marriage, birth adoption, or placement for adoption. If you have any questions about this law, contact the APS Employee Benefits Department.

## Changing Your Coverage

Once you elect coverage, you generally cannot change your elections until the following Switch/Open Enrollment period. However, there are certain circumstances when you may be eligible to change coverage earlier. You must request the change in coverage and complete enrollment within **60 days** of the event causing the change. Any change must be consistent with the reason the change was permitted.

- Situations governed by HIPAA special enrollment rules.
- You, your spouse, or your Dependent children become eligible for Consolidated Omnibus Reconciliation Act (COBRA) continuation coverage.
- Judgment, decree, or order that requires accident or group health coverage for your child.
- You, your spouse, or Dependent children become entitled to Medicare or Medicaid. (You may cancel coverage for the individual who becomes eligible for Medicare or Medicaid coverage.)
- A significant change in the healthcare provided to you or your Dependents through a third party, such as your spouse's employer.
- Change in status event, but only when the change causes you or your Dependent to gain or lose eligibility for coverage. The change must correspond with the gain or loss of coverage.

### Note:

It is your responsibility to complete an Enrollment/Change Form via the Winocular system and submit it to the APS Employee Benefits Department with any change in your coverage status, e.g., loss or gain of other coverage or to add a newly eligible dependent. It is your responsibility to notify the APS Human Resources Department of a name or address change. APS will notify the Claim Administrator of these changes once you complete the required APS documentation.

## Family Status or Employment Status Changes (Qualifying Events)

You may make certain changes to your benefit elections within **60 days** of a change in family/employment status. Evidence of a change in family/employment status must be provided to the APS Employee Benefits Department in order to change your benefit elections. Any change in coverage must correspond with the gain or loss of coverage and will become effective the first of the month following the date the new benefit elections are made by completing and submitting an Enrollment/Change Form to the APS Employee Benefits Department. The only exceptions

would be birth and adoption, where the additional coverage would become effective retroactive to the date of birth or date of adoption, as long as you enroll the child within **60 days** of that date. The following family/employment status changes are recognized by the APS Employee Benefits Department:

- Marriage or divorce;
- Birth or adoption of a child;
- Death of a spouse or Dependent child;
- A change in your spouse's employment (loss of job, or a new job that provides healthcare coverage) or annual open enrollment at your spouse's job which results in a change of coverage for you or you and your family members. Refer to the APS Employee Benefits Enrollment Guide for more information.
- Marriage of a Dependent child which results in that child enrolling for coverage under their new spouse;
- Change in employment status (from a non-benefit eligible status to a benefit eligible status);
- The APS Employee Benefits Department will automatically disenroll your child on the last day of the month following that child's 26th birthday (unless the child has been certified as disabled and determined to be eligible to continue coverage as a disabled adult child).

## **Special Enrollment/Notice of Employee Rights**

Under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, if you are declining enrollment for yourself or your Dependents (including your spouse and eligible children) because of other group health insurance coverage, you may in the future be able to enroll yourself or your Dependents in the Plan. You must request enrollment within **60 days** after you or an eligible Dependent lose coverage under another group health plan either because:

- Eligibility ends
- COBRA benefits are exhausted
- You return to work after serving active military/reserve duty, or
- Employer contributions end

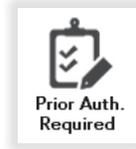

In addition, if you have a new Dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your Dependents, provided that you request enrollment within **60 days** after the marriage, birth, adoption, or placement for adoption.

An otherwise eligible employee and Dependent(s) who did not apply for coverage when initially eligible because of other group coverage at another place of employment, but who later lost their coverage due to a change in employment status, may apply within **60 days** if the loss of coverage is due to loss of employment/change in job status, or death of a spouse, or divorce from a spouse. This provision also applies to employees who return to work after serving active military/reserve duty.

## ID Card

Your Plan ID card identifies the cardholder and your coverage. Carry it with you.

When you present your card to In-network Providers, they know that you receive special benefits – they will file claims for you and will obtain any needed pre-Admission review or other **Prior Authorizations**. You are responsible for any Copayments, Deductible, Coinsurance, or expenses for non-Covered Services.

Your Member identification number and your APS group number are on your ID Card. Each of your Dependents will also receive an ID card. If you or your Dependents selected an In-network PCP, their In-network PCP selection and the PCP's telephone number will also be displayed. (If you or your Dependent(s) did not select an In-network PCP, then no PCP information will be listed on the ID Card.) The reverse side of your ID card provides the address for PHP and some important telephone numbers for your use while using the Plan. It is important that you always show each individual's own ID card when obtaining care.

If you want additional cards or need to replace a lost card, contact a Presbyterian Customer Service Center representative.

This card is part of your coverage. Do not let anyone who is not named in your coverage use your card to receive benefits. Anyone who knowingly or willfully allows a non-covered person to use their medical plan ID Card to receive benefits shall risk forfeiting all employee and family rights to APS medical plan coverage or benefits.

# **Eligibility Enrollment, Effective and Termination Dates**

## **Termination**

### **When Coverage Ends**

APS employees and their covered Dependents should refer to the APS Employee Benefits Enrollment Guide for information regarding when coverage ends under the Plan.

You or your Dependents must promptly furnish to the APS Employee Benefits Department information regarding marriage, divorce or legal separation, change in Domestic Partner status, death of any covered family member, birth or change in status of a Dependent Child, Medicare enrollment or disenrollment, an individual no longer meeting the eligibility provisions of the Plan, or the existence of other coverage. Proof of legal documentation will be required for certain changes.

Refer to the APS Employee Benefits Enrollment Guide for additional information regarding your options for continuation coverage, when the Plan can end your coverage for cause, special circumstances such as leave of absence, and the possible consequences of not providing timely notice to the APS Employee Benefits Department when you or a covered Dependent have a status change that impacts eligibility for coverage under this Plan.

If a member is an admitted inpatient of a hospital or treatment facility and their coverage terminates before they are discharged, this Plan will not pay for services rendered after the date of termination unless the member elects COBRA continuation coverage.

### **How To Disenroll**

Refer to the APS Employee Benefits Enrollment Guide for information regarding the steps to take, documentation required, and the circumstances under which an employee may disenroll from the Plan or drop coverage for a dependent.

### **Certificate of Coverage**

When your coverage ends, Presbyterian Health Plan provides evidence of your prior medical plan coverage by supplying you with a Certificate of Coverage. You may need to furnish this certificate if you become eligible under another group health plan or if you want to buy, for you or your family, an individual insurance policy.

### **Leave of Absence**

Refer to the APS Employee Benefits Enrollment Guide for important information regarding medical plan coverage while you are on approved APS leave.

During an APS approved leave of absence (such as for FMLA, Military leave or a District-approved leave), you may elect to continue your benefits coverage, provided that you pay your portion of the total required monthly premium. (Details will be included in the letter you receive from the APS Leaves Department.)

While on leave, you are responsible for notifying the APS Employee Benefits Department of any Special Enrollment event (the birth of a baby, marriage, divorce, etc.) and completing an Enrollment/Change Form within **60 days** of the event.

## **Continuation of Coverage Under Consolidated Omnibus Budget Reconciliation Act (COBRA)**

The APS medical Plan is subject to the provisions for continuation of plan coverage under Federal law Consolidated Omnibus Budget Reconciliation Act (COBRA). The employee and their covered Dependents who lose eligibility under this Plan may continue as Group Members for a limited period of time.

On April 7, 1986, a Federal law was enacted (Public Law 99-272, Title X “COBRA”) requiring that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of healthcare coverage (called COBRA continuation of coverage) in certain instances where coverage under the plan would otherwise end. This section is intended to inform you, in a summary fashion, of your rights and obligations under the continuation of coverage provisions of this law. (Both you and your spouse/domestic partner should take the time to read this section carefully.)

If you are an employee of APS covered by this healthcare plan, you have the right to choose this continuation coverage if you lose your group health coverage due to a reduction in your hours of employment; or change in employment status from benefit eligible to non-benefit eligible; or the termination of your employment (for reasons other than gross misconduct on your part).

If you are the spouse/domestic partner of an employee covered by the APS healthcare plan, you have the right to choose continuation of coverage for yourself if you lose group health coverage under the Group’s plan for any of the following reasons:

- The death of your spouse/domestic partner
- A termination of your spouse/domestic partner’s employment (for reasons other than gross misconduct) or reduction in your spouse/domestic partner’s hours of employment as outlined above
- A Divorce or legal separation from your spouse, or
- Your spouse/domestic partner becomes entitled to and enrolls in Medicare benefits

An eligible child of an employee covered by the Group’s healthcare plan has the right to continuation of coverage if group healthcare coverage under the APS plan is lost for any of the following reasons:

- The death of the parent employee

- The termination of a parent's employment (for reasons other than gross misconduct) or reduction in a parent's hours of employment as outlined above
- Parent's divorce or legal separation
- The child ceases to be an eligible child under the plan, or
- The parent employee becomes entitled to and enrolls in Medicare

Under the COBRA law, the employee or a family Member has the responsibility to inform the APS Employee Benefits Department within **60 days** of the employee's death or of a divorce, legal separation, or a child losing eligibility status under the Group plan.

Should one of the above events occur (and you notify the APS Employee Benefits Department), APS will notify you that you have the right to choose continuation of coverage. Under the COBRA law, you have **60 days** to elect COBRA continuation coverage. The **60 days** begin on the date you lose coverage due to one of these events, or the date the notice of your rights to choose continued coverage is mailed.

If you do not choose continuation of coverage, your APS group health coverage will end. You may have other options for coverage, such as enrolling in a spouse's plan (if applicable) or obtaining coverage through the Health Insurance Marketplace or through Medicaid.

If you elect to enroll for COBRA continuation coverage, APS is required to give you coverage that, as of the time coverage is being provided, is identical to the coverage provided under the plan to similarly situated employees or family Members. The COBRA law requires that you be given the opportunity to maintain continuation of coverage for a maximum of **36 months**, unless you lost group healthcare coverage due to a termination of employment or reduction in hours, in which case the required continuation coverage period is **18 months**, unless you have been determined to be disabled under the Social Security Act, in which case the required continuation coverage period is 29 months. However, this law also provides that your continuation coverage may end for any of the following reasons:

- The employer no longer provides group health coverage to any of its employees
- The premium for your continuation coverage is not paid on time

No notification or **Prior Authorization** is required for Out-of-network (including out of state) Hospitals or treatment facilities for Medical Emergency services. However, the Member will be responsible for the Copayment and/or Deductible and Coinsurance as outlined on the *Summary of Benefits*.

Private room charges are a covered benefit only when Medically Necessary and when the private room is ordered by the admitting Provider and **Prior Authorization** is obtained from Presbyterian Health Plan. If the Member requests a private room or the private room is not Medically Necessary, Presbyterian Health Plan bases payment on the Hospital's average non-private room rate and the Member is responsible for the balance. Under Coverage that includes dependents an unmarried Dependent daughter is eligible for Maternity benefits. Coverage for the newborn is available *only* if covered as an eligible Dependent.

### Note:

To add coverage for your newborn child, you must enroll your child as a Dependent within **60 days** of birth. The baby is then covered from the moment of birth. If you have Employee coverage, you must change to Two-Party Coverage; if you have Two-Party Coverage, you must change to Family Coverage; if you already have Family Coverage, you still must complete the APS Employee Benefits Department enrollment procedures to add your newborn as a Dependent.

If you do not enroll your newborn child within **60 days** of birth, you must wait until the next

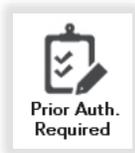

If the newborn is enrolled within **60 days**, the Plan pays benefits for your newborn's services, including newborn visits in the Hospital by the baby's Provider, circumcision, incubator, and routine Hospital nursery charges. If your newborn needs special care including diagnostic tests and Surgery, the Plan pays benefits for that care too. A separate Inpatient Copayment, (or Deductible and/or Coinsurance) for your newborn applies only when the infant's Inpatient Stay exceeds the mother's date of discharge. Additional services above and beyond routine newborn care are not subject to an additional Copayment if the infant is discharged on the same day or

If your newborn stays in the Hospital longer than the mother does, you must notify the Presbyterian Customer Service Center by calling **(505) 923-5600** or **1-888-275-7737** before the mother is discharged from the Hospital, to coordinate the baby's care, or benefits may be reduced or denied.

Plans and insurance issuers may not require that a Provider obtain **Prior Authorization** from the Plan or the insurance issuer for prescribing a length of stay not in excess of the above periods.

If you obtain services from an In-network Provider, they will request **Prior Authorizations** from Presbyterian Health Plan, when required.

### **Transplant Services**

Transplant services include a surgical process that involves the removal of an organ from one person and placement of the organ into another. Transplant can also mean removal of organs or tissue from a person for the purpose of treatment and re-implanting the removed organ or tissue into the same person.

Prescreening at the time of the transplant evaluation and services necessary to complete the evaluation are included in the Transplants benefit as shown in the *Summary of Benefits*.

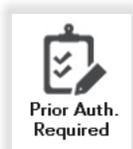

Organ transplant services include the recipient's medical, surgical and Hospital services; Inpatient Immunosuppressive medications; and costs for organ procurement. Transplant services are covered only if they are required to perform any of the following human to human organ or tissue transplants:

- Heart, heart/lung
- Kidney/pancreas
- Kidney/Liver
- Lung
- Pancreas
- Intestine
- Small bowel/liver

Also covered are islet cell infusion and autologous or allogeneic bone marrow transplants, including peripheral stem cell, as determined to be Medically Necessary. To be covered, transplant services must also be received within one year of the transplant or re-transplant.

Covered cardiac surgeries, such as valve replacements and pacemaker insertions, are covered under “Surgery.”

The treating Provider or Member must obtain **Prior Authorization** from Presbyterian Health Plan before benefits for any transplant evaluation, procedure or service is provided. **Prior**

**Authorization** must be obtained from Presbyterian Health Plan before a pre-transplant evaluation is scheduled. A pre-transplant evaluation is not covered if **Prior Authorization** is not obtained from Presbyterian Health Plan. A Presbyterian Health Plan case manager will be assigned to you (the transplant recipient candidate) and must later be contacted with the results of the evaluation.

In-network Providers request **Prior Authorization** for you. Discuss the need for **Prior Authorizations** with your Provider before obtaining services.

If you are approved as a transplant recipient candidate, you must ensure that **Prior Authorization** for the actual transplant is also received. None of the benefits described here are available unless **Prior Authorization** is obtained.

In addition, benefits are available only when the transplant is performed at a facility with a transplant program approved by Presbyterian Health Plan. Call the Presbyterian Customer Service Center, Monday through Friday, between the hours of 7 a.m. and 6 p.m. at **(505) 923-5600** (in Albuquerque), or toll-free within New Mexico at **1-888-275-7737** for a current list of Presbyterian Health Plan approved programs. TTY users may call **711**.

Effect of Medicare Eligibility on Coverage: If you are now eligible for or are anticipating receiving eligibility for Medicare benefits, you are solely responsible for contacting Medicare to ensure that the transplant will be eligible for Medicare benefits.

Organ Procurement or Donor Expenses: If a transplant is covered, the surgical removal, storage, and transportation of an organ acquired from a cadaver are also covered. If there is a living donor that requires Surgery to make an organ available for a covered transplant (e.g., kidney or liver), coverage is available for expenses incurred by the donor for travel (if required, covered under the "Transplant" provision, and approved by the Presbyterian Health Plan case manager), Surgery, organ storage expenses, and Inpatient follow-up care only.

This Plan does not cover donor expenses after the donor has been discharged from the transplant facility.

Coverage for compatibility testing prior to organ procurement is limited to the testing of cadavers and, in the case of a live donor, to testing of the donor selected.

Covered Services related to the transplants are subject to usual cost-sharing features and benefit limitations of this Plan (e.g., Copayments, Deductible/Coinsurance, and out-of-pocket limits;

annual Home Health Care maximums).

**Thermography** (a technique that photographically represents the surface temperatures of the body) is **not covered** under this Plan.

**Transplants** not specifically listed as a covered benefit under this Plan are **not covered**.

**Travel and other transportation expenses**, except as covered under “Ambulance Services” and “Transplants” are **not covered**.

**Treatment for injuries** sustained by a Member in the course of committing a felony, if the Member is subsequently convicted of the felony is not covered.

**Unreasonable charges** will not be covered by this Plan.

**Vision therapy** or any surgical or medical service or supply provided in connection with refractive keratoplasty (Surgery to correct nearsightedness), or any complication related to keratoplasty, including radial keratotomy or any procedure designed to correct myopia, or any

procedure to correct refractive defects such as farsightedness, presbyopia, or astigmatism are not covered.

Vitamins, dietary/nutritional supplements, special foods, formulas, or diets are not covered under this Plan.

**Vocational rehabilitation services** are not a covered benefit under this Plan.

**War-related conditions:** This Plan does not cover any services required as the result of any act of war, or any illness or Accidental Injury sustained during combat or active military service.

**Weight-loss programs, obesity treatment, and nutritional counseling,** except as outlined in the Covered Services Section.

**Work-related conditions:** This Plan does not cover services resulting from work-related illness or injury, or charges resulting from occupational accidents or sickness covered under:

- Occupational disease laws
- Employer's liability
- Municipal, state, or federal law (except Medicaid), or
- Workers' Compensation Act

To recover benefits for a work-related illness or injury, you must pursue your rights under the Workers' Compensation Act or any of the above provisions that apply, including filing an appeal. (The Albuquerque Public Schools medical plan may pay claims during the appeal process on the condition that you sign a reimbursement agreement with Presbyterian Health Plan as the claims administrator for the Plan.)

This Plan does not cover a work-related illness or injury, even if:

- You fail to file a claim within the filing period allowed by the applicable law.
- You obtain care not authorized by Workers' Compensation insurance.
- Your employer fails to carry the required Workers' Compensation insurance. (The employer may be liable for an employee's work-related illness or injury expenses.)
- You fail to comply with any other provisions of the law.

**NOTE:**

This work-related condition exclusion does not apply to an executive employee or sole proprietor of a professional or business corporation who has affirmatively elected not to accept the provisions of the New Mexico Workers' Compensation Act. You must provide documentation showing that you have waived Workers' Compensation and that you are eligible for the waiver. (The Workers Compensation Act may also not apply if an employer has a very small number of employees or employs certain types of laborers excluded from the Act.)

## Filing Claims

This plan is an Exclusive Provider Organization (EPO) plan which requires that you use only medical providers and facilities that are contracted, In-network Providers in the Presbyterian Health Plan EPO network. The In-network Providers have agreed to file your claims directly to PHP and payment is made directly to the Provider. (ONLY for enrolled dependents age 17-26, the Aetna Network is available as an extension of the Presbyterian Health Plan EPO network to provide access to contracted, in-network medical providers and facilities for this age group outside New Mexico.)

On occasion you may access care from an Out-of-network Provider such as in an emergency when you are traveling out of the service area. In such cases you may have to file a claim yourself.

### Emergency Services or Out-of-Network Providers

In some cases, Hospital, laboratory, X-ray, and clinic claims are filed by the Out-of-Network Providers, as well as In-network. Out-of-network Providers may also file claims for you.

You will be required to submit claim forms when your Out-of-network Provider does not file them for you. Submit all claims as the services are received and attach the itemized bill for services or supplies. Do not file for the same service twice unless requested by one of our Presbyterian Customer Service Center representatives.

The Member Claim Forms are available from a Presbyterian Customer Service Center representative, who can also answer your questions about completing the claim form. Claim forms can also be printed from the Presbyterian website at [www.phs.org](http://www.phs.org). Please mail the claim forms and itemized bills to:

Presbyterian Health Plan, Inc. Attn: APS Claims  
P.O. Box 27489  
Albuquerque, NM 87125-7489

**Claims must be submitted no later than 12 months after the date a service or supply was received.** If your provider does not file a claim for you, you are responsible for filing the claim within the **12-month** deadline. **Claims submitted after the 12-month deadline are not eligible for benefit payments.** If a claim is returned for further information, you must resubmit it within **90 days**.

### Out-of-Network Service Claims

Coverage for services from Out-of-network Providers is limited to Emergency and Urgent Care only. When you obtain Provider or Outpatient Hospital services from an Out-of-network Provider, the Provider, Hospital, or you should file the claims with Presbyterian Health Plan. If the Provider or Hospital does not file the claims, ask for an itemized statement and complete a

Presbyterian Health Plan claim form for the services received from the out-of-network Provider. The provider may require that you pay for services up-front and then wait for the Presbyterian Health Plan to process the claim (see “How Payments are Made” below). Out-of-network providers are not required to accept the Presbyterian Health Plan determined allowable amount as payment in full and subject to Your Rights and Protections Against Surprise Medical Bills notice\*, may balance-bill you the difference between the allowed amount of this Plan and the amount they charged for their services. (\*Your Rights and Protections Against Surprise Medical Bills notice is available on the APS Benefits Department website at <https://www.aps.edu/human-resources/benefits>. Scroll down to “Federal Government Required Notices” and look for the link entitled “APS Surprise Medical Bills Notice”.)

## **Claims Outside the United States**

Coverage outside the United states is limited to Emergency and Urgent Care only. Members are responsible for ensuring that claims are appropriately translated and that the monetary exchange rate is clearly identified when submitting claims for services received outside the United States. The Provider may require that you pay for services up-front and then wait for Presbyterian Health Plan to process the claim. (See “How Payments are Made” below).

## **Itemized Bills**

When you file a claim, itemized bills must be submitted on the Provider’s billing forms or the Provider’s letterhead stationery and must show:

- Name and address of the Provider or other healthcare provider
- Full name of the patient receiving treatment or services
- Date, type of service, diagnosis, and charge for each service separately

The only acceptable bills are those from healthcare providers. Canceled checks, balance due statements, cash register receipts or bills you prepare yourself are not acceptable. Please make a copy of all itemized bills for your records before you send them because the bills are not returned to you. Itemized bills are necessary for your claim to be processed so that all benefits available under this Plan are provided.

If your itemized bill(s) include services previously filed, clearly identify the new charges that you are submitting.

## **Prescription Drug Claims**

If you need to submit a claim for Presbyterian Drugs, that claim must be sent to the APS prescription drug Plan Administrator, not Presbyterian Health Plan. Please refer to Express Scripts Summary of benefits or call them at **1-866-563-9297** for the claims filing procedures for Prescription Drugs.

## **How Payments Are Made**

Payments to Out-of-network Providers are sent to the Member unless the Member has assigned

benefits to the provider. When possible, this Plan will honor an assignment of benefits; however, Presbyterian Health Plan reserves the right to pay the subscriber directly and to refuse to honor an assignment of benefits to pay anyone other than the subscriber in any circumstances.

Provider payments are based upon In-network Provider agreements and the Negotiated Fee for Service as determined by Presbyterian Health Plan. The enrolled member is responsible for paying all Copayments, Coinsurance, and non-Covered Services.

If you obtain services from an Out-of-Network Provider, you are responsible for any amounts greater than Medicare Allowable Amounts. (This may not apply to Emergency Medical Service or Urgent Care Services). You are also responsible for paying all Copayments, Deductibles, Coinsurance, and non-covered services. If the Provider required that you pay for services up-front, and Presbyterian Health Plan makes payment to the Provider for the claim, you will need to contact the Provider to request reimbursement of any amount owed to you. If Presbyterian Health Plan made payment to you, you are responsible for making payment to the Provider.

Payment of benefits for Members eligible for Medicaid is made to the New Mexico Health Care Authority or to the Medicaid provider when required by law.

Additional information may be requested to process your claim, coordinate benefits, or protect the subrogation interest. You must supply the information or agree to have the information released by another person to Presbyterian Health Plan.

You may be requested to have another Provider examine you if there are questions about a **Prior Authorization** review or about a particular service or supply for which you are claiming benefits. In this event, the Plan will cover the requested examination.

If you obtain services from an In-network Provider, they will request **Prior Authorizations** from Presbyterian Health Plan, when required.

## **Overpayments**

If payments made by Presbyterian Health Plan are greater than the benefits you have under this Plan, you are required to refund the excess. In the event that you do not, future benefits may be withheld and applied to the amount that you owe to Presbyterian Health Plan.

## **Coordination of Benefits**

This Plan contains a Coordination of Benefits (COB) provision that prevents duplication of payments. Under this provision, if a Member is eligible for healthcare benefits under any other valid coverage, the combined benefit payments from all coverages cannot exceed 100% of the covered expenses. *Other valid coverage* means all other insurance policies, which may include Medicare, that provide payments for medical expenses.

If a Member is covered by both Medicare and this Plan and is not a retiree, special COB rules may apply. Contact one of our Presbyterian Customer Service Center representatives for more information.

If a Member is currently covered under COBRA provisions, coverage ceases at the beginning of the month in which the Member either becomes enrolled for any other valid coverage, or until the COBRA period expires, whichever occurs first.

The following rules determine order of benefit determination between this Plan and any other plan covering a Member not on COBRA continuation on whose behalf a claim is made:

- No COB Provision. If the other valid coverage does not include a COB provision, that coverage pays first, and this Plan pays secondary benefits.
- Employee/Dependent. If the Member who received care is covered as the employee under one plan/coverage and as a Dependent under another, the employee's coverage pays first. If the Member is also a Medicare beneficiary, and Medicare is secondary to the plan covering the person as a Dependent of an active employee, then the order of benefit determination is:
  - Benefits of the plan of an active worker covering the Medicare beneficiary as a Dependent;
  - Medicare;
  - Benefits of the plan covering the Medicare beneficiary as the policyholder or as an active or retired employee.

If the Member has other valid coverage, please contact the other carrier's customer service department to determine if that coverage is primary or secondary to Medicare. There are many federal regulations regarding Medicare Secondary Payer provisions, and other coverage may or may not be subject to those provisions.

- Dependent Child/Parents Not Separated or Divorced. If the Member who receives care is a Dependent child, the coverage of the parent whose birthday falls earlier in the Calendar Year pays first. If the other valid coverage does not follow the birthday rule, then the gender rule applies (that is, the male parent's coverage pays first).
- Child/Parents Separated or Divorced. If two or more plans cover a Member as a Dependent child of divorced or separated parents, benefits for the child follow these rules:
  - Court-Decreed Obligations. Regardless of which parent has custody, if a court decree specifies which parent is financially responsible for the child's healthcare expenses, the coverage of that parent pays first.
  - Custodial/Non-Custodial. The plan of the parent with custody of the child pays first. The plan of the spouse of the parent with custody of the child pays second. The plan of the parent not having custody of the child pays last.
  - Joint Custody. When a court decree specifies that the parents share joint custody, without stating that one of the parents is responsible for the healthcare expenses of the child, the plans covering the child follow the order of benefit determination rules applicable to children whose parents are not separated or divorced.
- Active/Inactive Employee. If the Member who received care is covered as an active employee under one plan/coverage and as an inactive employee under another, the coverage through active employment pays first. Likewise, if a Member is covered as the Dependent of an active employee under one plan/coverage and as the Dependent of the *same* but *inactive* employee under another, the coverage through active employment pays

first. If the other plan does not have this rule and if, as a result, the plans do not agree on the order of benefits, the next rule applies.

- Longer/Shorter Length of Coverage. When none of the above applies, the coverage in effect for the longest continuous period of time pays first. The start of a new plan does not include a change in the amount or scope of a plan's benefits, a change in the entity that pays, provides, or administers the plan's benefits or a change from one type of plan to another.

If you receive more than you should have when benefits are coordinated, you are required to repay any overpayment.

Your other valid coverage may be with a Health Maintenance Organization (HMO), a Preferred Provider Organization (PPO), or another program that limits or excludes benefits if you do not meet the obligations for obtaining **Prior Authorization** of care, for obtaining the proper level of care for the condition treated or for obtaining services from providers authorized or recognized by your primary carrier. If you do not meet these obligations and your primary benefits are reduced as a result, Presbyterian Health Plan limits its secondary benefit payment to the difference between the Presbyterian Health Plan Negotiated Fee-for-Service for the service received and the amount that would have been paid if you had met the obligations recognized by your primary carrier.

If you obtain services from an In-network Provider, they will request **Prior Authorizations** from Presbyterian Health Plan, when required.

## **Effect of Medicare on Benefits**

Shortly before you or your spouse becomes **age 65**, or if you or any other family Member becomes qualified for Medicare benefits, contact your local Social Security office to establish Medicare eligibility.

If you are a working employee **age 65** or over and your spouse is **age 65** or over, you are eligible to continue the Albuquerque Public Schools Plan coverage on the same basis as Members under **age 65**. You may also elect to drop your APS coverage within **60 days** of the date you enroll for Medicare, as long as you submit an Enrollment/Change Form via the Winocular system and submit proof to the APS Employee Benefits Department that you have enrolled for Medicare.

Benefits will end at the end of the month in which you elect to drop coverage. (If an employee drops medical plan coverage because they elected to enroll in Medicare, coverage will also end for an enrolled spouse/domestic partner and/or enrolled child or children; these Dependents may elect COBRA continuation coverage.)

Your third option is to both continue coverage in the APS medical plan and enroll for Medicare. If Medicare coverage coexists with this Plan, this Plan will be primary for the employee and Medicare will be secondary. (The exception to this rule is when entitlement for Medicare is on the basis of end-stage renal disease. In that case, Medicare will be secondary until the Plan pays primary for at least 30 months from the date the Member became eligible for or entitled to Medicare on the basis of end-stage renal disease.)

## **Effect of Medicaid on Benefits**

Benefits payable on behalf of a Member who is qualified for Medicaid is made to the New Mexico Health Care Authority or to the Medicaid provider when required by law.

## **Subrogation**

When this Plan pays for your care and you have the right to recover those expenses from the person or organization causing your illness or Accidental Injury, the APS medical Plan has the right of subrogation to recover the amount it has paid. This right of subrogation against the third party may be exercised even if you do not file a legal action. The right of subrogation applies whether you recover directly from the wrongdoer or from the wrongdoer's insurer, or from your uninsured motorist insurance coverage. This applies to all moneys a Member may receive from any third party or insurer, or from any uninsured or underinsured motorist insurance benefits, as well as from any other person, organization or entity.

You have the legal obligation to help recover the amounts paid, and you must do nothing that would prejudice the APS Plan's subrogation right. You must notify Presbyterian Health Plan as APS's claim administrator, if you file a claim, consult an attorney, or bring action against a third party. If contacted by Presbyterian Health Plan, you must provide all requested information. Settlement of a controversy without prior notice to Presbyterian Health Plan is a breach of this agreement. In the event that you fail to cooperate with Presbyterian Health Plan or take any action, through agents or otherwise, to interfere with the exercise of a subrogation right of the APS medical Plan, Presbyterian Health Plan may recover benefit payments from you.

## **Assignment of Benefits**

Your benefits under the Plan generally cannot be transferred or assigned in any way, except as required under a Qualified Medical Child Support Order (QMCSO). A qualified child support order is a court order that may be granted in the case of a divorce.

## **Fraudulent Application or Claim**

If you knowingly make a false statement on your Enrollment/Change Form or file a false claim, such enrollment or claim will be revoked retroactively back to the date of the enrollment or claim.

If a claim is paid by the APS medical Plan and it is later determined that the claim should not have been paid due to fraudulent enrollment or claim, the Member shall be responsible for full reimbursement of the claim amount to the APS Plan. Anyone who knowingly or willfully makes any false or fraudulent statement or representations shall risk forfeiting all employee and family member rights to coverage or benefits. APS will take the appropriate disciplinary action against the offending employee.

## Appeals and Grievance Procedures

### Overview

Many Grievances or problems can be handled informally by calling the Presbyterian Customer Service Center at (505) 923-5600 or 1-888-275-7737 (TTY 711). You may also visit our website at [www.phs.org](http://www.phs.org).

The New Mexico Office of the Superintendent of Insurance (OSI) is also available to assist you with grievances, questions or complaints. Additional details regarding OSI's process are included later in this section.

### When and How to File a Grievance

Any member dissatisfied with a Presbyterian Health Plan decision, action or inaction, including a Termination of Coverage, has the right to file a grievance and request an internal review. Any grievance may be submitted verbally or in writing. If you make a verbal grievance, the Presbyterian Customer Service Center will assist you to complete the required forms. The OSI is also available to assist you. Please be advised that Presbyterian Health Plan shall not take any retaliatory action against you for filing a complaint. You may submit a grievance or request an internal review, verbally or in writing, by contacting us at:

**Mailing Address:** Presbyterian Health Plan  
Appeals and Grievance Department  
9521 San Mateo Blvd NE  
Albuquerque, NM 87113  
**Phone:** (505) 923-5600 or 1-888-275-7737  
**Fax:** (505) 923-6111  
**Email:** [gappeals@phs.org](mailto:gappeals@phs.org)

Presbyterian Health Plan has established written procedures for reviewing and resolving your grievances and concerns. There are two different procedures, depending on the type of grievance: Adverse Determination Grievance procedures and Administrative Grievance procedures.

### Types of Grievances

- **Adverse Determination Grievance** – An Adverse Determination grievance is an oral or written complaint submitted by or on behalf of a member regarding an Adverse Determination.
- **“Adverse Determination”** means a decision made by Presbyterian Health Plan (either preservice or post-service) that a healthcare service requested by a provider or member has been reviewed and, based upon the information available, does not meet Presbyterian Health Plan’s requirements for coverage or medical necessity, and health plan coverage for the requested healthcare service is denied, reduced or terminated.

- **Administrative Grievance** – An Administrative grievance is an oral or written complaint submitted by or on behalf of a member regarding any aspect of a health benefits plan (other than a request for healthcare services) including but not limited to:
  - Administrative practices of Presbyterian Health Plan that affect the availability, delivery, or quality of healthcare services.
  - Claims payment, handling or reimbursement for healthcare services.
  - Terminations of Coverage.

If your grievance clearly contains administrative and adverse decision issues, then we will process separate grievances for each type of grievance. When processing your grievance, we will provide you with a detailed explanation of the grievance procedure. The detailed explanation will tell you how we review and resolve grievances and provide you with our contact information.

You may request a copy and detailed written explanation of the grievance procedures by calling the Presbyterian Customer Service Center at **(505) 923-5600** or **1-888-275-7737 (TTY 711)**.

Members have **180 days from the date of the initial denial to file an appeal** with Presbyterian Health Plan.

### **Adverse Determination Grievance Review Procedures**

When you or your treating provider (healthcare professional) requests a healthcare service, Presbyterian Health Plan shall initially determine whether the requested healthcare service is covered by your health plan and is medically necessary. This determination will be made within **24 hours** where circumstances require expedited review, and within **five business days** for all other cases. If Presbyterian Health Plan’s initial review results in the denial, reduction or termination of health plan coverage for the requested healthcare service, then Presbyterian Health Plan will notify you of the determination and of your right to request an internal review by Presbyterian Health Plan.

Presbyterian Health Plan’s internal Adverse Determination appeal review procedures require an initial review by a Presbyterian Health Plan medical director and then, if necessary, a second review by a medical panel. Both reviews must be completed within the following specified time period from receipt of the internal review request:

- Expedited review request within **72 hours**
- Review requests prior to services, but not expedited requests, within **30 calendar days**,  
or
- Post-services review requests within **60 calendar days**

If Presbyterian Health Plan’s medical director decides to uphold the denial, reduction or termination of health plan coverage for the requested healthcare service, then Presbyterian Health Plan will notify you of the medical director’s decision by phone and mail and will ask you whether you want a second review by a medical panel selected by Presbyterian Health Plan.

If you indicate that you want a second review of your appeal by a medical panel, then Presbyterian Health Plan will notify you of the date, time and location of the medical panel

review and of your rights to participate in the review.

You have the right to have a representative act on your behalf at all levels of appeal. If you choose to have legal representation, you may do so at your own expense.

With each notice of a rescission of coverage or final adverse benefit determination, we will provide written notice of your right for an independent review of the determination by an independent review organization (IRO). This includes determining if surprise billing protections are applicable.

### **External Review of Adverse Determinations by an Independent Review Organization (IRO)**

Every grievant (member or provider) who is dissatisfied with the results of an internal or medical panel review of an Adverse Determination may request an external review by an IRO appointed by the New Mexico Office of the Superintendent of Insurance (OSI) from the list of approved IROs on an impartial rotational basis, at no cost to you.

### **Filing Requirements for External Review of Adverse Determination by an IRO**

If required by the medical needs of the case, you or your provider may request an expedited review by calling OSI at **1-855-427-5674**.

To initiate an external review by an IRO, you must file a written request for external review with OSI within **120 calendar days** from receipt of the written notice of internal review decision unless this timeframe is extended by OSI for good cause shown. The cost of the external review will be borne by Albuquerque Public Schools. You may file your request using the information below:

**Mailing Address:** State of New Mexico  
Office of Superintendent of Insurance  
P.O. Box 1689  
Santa Fe, NM 87504-1689

**Physical Address:** 1120 Paseo de Peralta, Room 428  
Santa Fe, NM 87501

**Main Phone:** (505) 827-4601 or (855) 427-5674

**Main Fax:** (505) 827-4734

**Email:** [mhcb.grievance@state.nm.us](mailto:mhcb.grievance@state.nm.us), Subject: External Review Request

**Website:** [www.osi.state.nm.us](http://www.osi.state.nm.us)

Within **five days**, you may also file any other supporting documents or information you wish to submit to the IRO for review. The IRO must send any additional information from you to Presbyterian Health Plan within **one business day**.

### **The Final Decision of the IRO and Grievant's Right to Hearing After Final IRO Decision**

The decision of the IRO is binding upon Presbyterian Health Plan as well as the grievant except to the extent that New Mexico law allows you to appeal to OSI for a hearing. This requirement

that the decision is binding shall not preclude Presbyterian Health Plan from making payment on the claim or otherwise providing benefits at any time, including after final external review decision that denies the claim or otherwise fails to require such payment or benefits. If you are dissatisfied with the denial of benefits by the IRO, you may request a hearing from OSI, which will automatically grant the hearing. Albuquerque Public Schools will be responsible for paying for all costs associated with the hearing.

If a grievant requests a hearing, Presbyterian Health Plan will be deemed to speak on behalf of the Albuquerque Public Schools health plan.

### **Administrative Grievance Procedures**

If you are dissatisfied with a decision, action or inaction of Presbyterian Health Plan regarding a matter that does not involve the denial, reduction or termination of a requested health service, then you have the right to request, verbally or in writing, that Presbyterian Health Plan internally review the matter. First, a Presbyterian Health Plan representative will review the grievance and provide you with a written decision within **30 calendar days** from receipt of the grievance.

If you are dissatisfied with this decision, you may file a request for reconsideration by Presbyterian Health Plan. Presbyterian Health Plan will appoint a reconsideration committee to review the Administrative Grievance and will schedule a hearing. The reconsideration committee shall schedule and hold a hearing within **15 business days** after receipt of a request for reconsideration. Presbyterian Health Plan will mail you a written decision within **seven business days** after the hearing.

### **External Review by the Superintendent of Insurance**

If you are dissatisfied with the results of the internal review by Presbyterian Health Plan, you may request an external review by OSI by filing a written request within 20 business days for an Administrative Grievance review. You may file your request using the contact information below:

**Mailing Address:** State of New Mexico  
Office of Superintendent of Insurance  
P.O. Box 1689  
Santa Fe, NM 87504-1689

Santa Fe, NM 87501

**Main Phone:** (505) 827-4601 or 1-855-427-5674

**Main Fax:** (505) 827-4734

**Email:** [mhcb.grievance@state.nm.us](mailto:mhcb.grievance@state.nm.us), Subject: External Review Request

**Website:** [www.osi.state.nm.us](http://www.osi.state.nm.us)

You will need to provide a copy of the Presbyterian Health Plan decision, a fully executed release form authorizing OSI to obtain any necessary medical records from Presbyterian Health Plan or other healthcare service provider, and any other supporting documentation. You may contact OSI to assist you in this process.

OSI will issue a written decision on the administrative grievance within **20 business days** of receipt of the complete request for external review.

If a representative from APS is not present at any pre-hearing conference or at the hearing required by OSI, Presbyterian will be deemed to speak on behalf of APS.

You do not have to complete the internal appeal process before requesting an external review if:

- Presbyterian Health Plan fails to comply with requirements under federal regulations regarding denials and appeals, unless the failure to comply was a minor error that is not likely to cause prejudice or harm to you and was for good cause or a situation beyond Presbyterian Health Plan's control, or
- Presbyterian Health Plan agrees to waive the requirements for the internal appeal(s), or
- You are eligible for an urgent internal appeal, and request both an urgent internal appeal and urgent external review at the same time

You will not be charged for pursuing an external review.

### **Retaliatory Action**

### **Accuracy of Information**

PHP shall not be liable to fulfill any obligation that is dependent upon information submitted by the APS Plan or by a Member prior to its receipt in a satisfactory manner. PHP is entitled to rely on such information as submitted. PHP at its sole discretion may make any necessary corrections due to recognizable clerical error. PHP will date and initial the correction of the error.

### **Consent For Use and Disclosure of Medical Records**

PHP is entitled to receive from any Provider/Practitioner of services protected health information (PHI) about a Member, to the extent permitted by applicable law, for any permitted purpose, including but not limited to, quality assurance, utilization review, processing of claims, financial audits or other purposes related to the payment and certain healthcare operations activities of PHP. A determination of benefit Coverage may be suspended pending receipt of this information. By acceptance of Coverage under this Agreement, the Member gives consent to each Provider/Practitioner rendering services hereunder to disclose to PHP all information (to the extent permitted by applicable law) pertaining to the Member for any permitted purpose specified in the law. Such review programs include, but are not limited to, the National Committee for Quality Assurance (NCQA), Health Plan Employer Data and Information Set (HEDIS), and the Office of Superintendent of Insurance (OSI).

### **Confidentiality of Protected Health Information/Medical Records**

Each Member will receive a Notice of Privacy Practices that PHP issues, which will contain a statement of the Members' rights with respect to, protected health information and a brief description of how the Member may exercise their rights. In addition, the Albuquerque Public

Schools HIPAA Notice of Privacy Practices is included in the APS Employee Benefits Enrollment Guide.

### **What is Protected Health Information?**

Protected Health Information, or PHI, is any health information about you that PHP sends, receives, or keeps as part of our daily work to improve your health. This includes information sent, received, and kept by electronic, written and oral means. Health information that clearly identifies you, or that could reasonably be used to identify you and your health needs is called Protected Health Information (PHI). Medical records and claims are two examples of PHI.

Presbyterian Health Plan keeps your PHI safe. Unless otherwise permitted or required by law, we do not disclose confidential information without your consent/authorization. Your privacy in all settings is important to Presbyterian Health Plan.

As a Member you (or your legal guardian/Personal Representative) have the right to:

- Request restrictions on certain uses and disclosures of PHI, although Presbyterian Health Plan is not required to agree to a requested restriction
- Receive confidential communications of PHI from Presbyterian Health Plan
- With certain exceptions, inspect and receive a copy of PHI
