

MEDICARE ADVANTAGE PLANS LIST

Choosing a new Medicare or Medicare Advantage health insurance plan for 2027?

We understand that choosing a new plan can be confusing. Not all plans provide the same access to Presbyterian primary care doctors, hospitals and specialty care services.

Where to start?

1. Start by checking your insurance card so you know which plan you have now. Some insurers have multiple plans, and some plans may not be renewing for 2027.
2. Next, evaluate your choices based on:
 - Whether you're currently seeing a Presbyterian primary care provider and want to continue seeing that provider.
 - The county you live in.
 - Whether you have insurance through a former employer

Need help or have questions?

Providers are focused on giving you the best medical care and cannot advise you on your health care coverage. Please talk with an insurance professional about your health insurance options.

Use these resources:

- Visit [Medicare.gov](https://www.medicare.gov)
- Call the New Mexico State Health Insurance Assistance Program (SHIP) at 1-800-432-2080.
- Talk with a licensed insurance broker.
- Call Presbyterian Customer Service at 505-923-2000 (TTY 711), 8 a.m.–8 p.m., seven days a week (except holidays).

NOTE: information about employer groups and special needs plans are at the end of this document.
