

DETERMINED TO KEEP YOUR HEART HEALTHY

Plains Regional Medical Center's Heart and Vascular Wellness Day

Join us as we support your heart health and well-being. We will be providing quality cardiovascular preventive screenings to the community on August 1. Each screening includes a carotid artery ultrasound, aorta ultrasound, ankle-brachial index and an EKG. These screenings can help identify at-risk individuals for stroke, aneurysm and peripheral artery disease (PAD).

You can pay by credit card, cash or check. Healthcare insurance will not cover these screenings. A screening will cost \$315. Each exam will receive a professional interpretation. Limited time slots will be available. Please call (575) 769-7341 to get your screening scheduled.

Date: Saturday, August 1, 2026

Time: 9 a.m. – 4 p.m.

Location: PRMC Medical Specialty Building

2421 West 21st St, Clovis, NM 88101

If you have any questions, please call: (575) 769-7341
