

Presbyterian Healthcare Services IRB Roster 2024

Presbyterian Healthcare Services (‘Presbyterian’) Institutional Review Board (IRB) members include faculty from a wide variety of clinical disciplines and specialties to ensure adequate expertise, legal advisors, pharmacists, nurses, bioethicists, and others to provide needed expertise. Community members and non-scientists also contribute as voting members of the Presbyterian IRB in order to reflect the viewpoint of the general community and lay audience. The membership of the Presbyterian IRB complies with all regulatory requirements.
