Subject: EPSDT Private Duty Nursing Claim Form Update

Presbyterian Health Plan, Inc. (Presbyterian) would like to ensure that Early and Periodic Screening and Diagnostic Treatment (EPSDT) providers are compliant with Centennial Care billing requirements. This letter contains important information clarifying requirements for services billed under the EPSDT program.

We have confirmed the following information for billing EPSDT services:

Provider Type	Revenue Code	CPT/HCPCS Code	Claim Form Type	Taxonomy
Home Health Agency HSD Provider Type 361	0570-0582 for attendant care or 0550-0559 for nursing care	Use appropriate code. (i.e., S5125)	UB-04	251E00000X
Private Duty Nursing HSD Provider Type 324	N/A	S5125	CMS-1500	251J00000X

Please bill for these services using the specified claim forms, as outlined in the table above, with your next claim submission. If a provider is registered as both a provider type 361 and a 324, and is billing EPSDT services, please use the billing specifications for provider type 361.

We regret any inconvenience caused by our previous communication. Please contact your Provider Network Management relationship executive with any questions you may have. You can find their contact information at www.phs.org/ContactGuide.

We appreciate your commitment to providing care and service for our members. As always, thank you for partnering with us to improve the health of individuals, families and communities we serve.
