Section 1 – Introduction

This directory provides a list of Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) network providers and pharmacies.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

You Primary Care Practitioner:

What is a “PCP” and what does your PCP do for you?

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

Your PCP is a physician, nurse practitioner, or other health professional that meets state requirements and is trained to give you primary medical care. See Chapter 3, Section 2.1, of your 2024 EOC document, “Changing your PCP” if you decide you want a different PCP. As we explain below, you should get your routine or basic care from your PCP and this is the first person you should call when you need medical care, except in an emergency or urgent care situation.

Your PCP can provide most of your care and will help you arrange and coordinate the rest of the covered services you get as a member of our plan. “Coordinating” your services includes checking or consulting with other network providers about your care and how it is going. Since your PCP should provide and coordinate your medical care, you should have all of your past medical records sent to your PCP’s office.

The network providers listed in this directory have agreed to provide you with your healthcare and pharmacy services. You may go to any of our network providers listed in this directory; however, some services may require a prior authorization. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Out-of-network providers are under no obligation to treat Presbyterian UltraFlex (HMO-POS) or Presbyterian Senior Care (HMO-POS) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please contact our Presbyterian Customer Service Center at (505) 923-6060 or 1-800-797-5343. (TTY users should call 711). Hours are 8 a.m. to 8 p.m., seven days a week (except holidays) from October 1 through March 31 and Monday to Friday (except holidays) from April 1 through September 30. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You may choose to receive care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers as long as the services are covered benefits and are prior authorized, if required. However, if you use an out-of-network provider, your share of the costs for covered services may be higher. Refer to Chapter 3, Section 2 of your EOC for information on how to get care from PCPs, specialists and other network providers, as well as how to get care from out-of-network providers. If you have questions about how to receive covered

services, call our Presbyterian Customer Service Center phone numbers that are listed on the back cover of this booklet. Remember, you are responsible for paying for the full cost of services that aren't covered by our plan, either because they are not plan-covered services or because plan rules were not followed.

Emergency Care:

When you have a medical emergency, you believe that your health is in serious danger. A medical emergency can include severe pain, a bad injury, sudden illness, or a medical condition that is quickly getting much worse. Emergency care can always be obtained in or out of the service area from the nearest available provider. When traveling outside of the United States, you have worldwide emergency coverage.

If you receive emergency care, it is important to notify us afterward so we can be involved in the coordination of your follow-up healthcare. Either let your PCP know or call our Presbyterian Customer Service Center (phone numbers are listed on the back cover of this booklet).

Urgent Care:

Urgently-needed care is a non-emergency, **unforeseen** medical illness, or condition that requires immediate medical care, but your health is not in serious danger.

We will cover urgently-needed care that you get from a provider anywhere in the world.

What should you do if you have bills from out-of-network providers that you think we should pay for?

If you received a bill for services from an out-of-network provider, you should send the bill to us for payment or ask the out-of-network provider to bill us first. We may pay the out-of-network provider for our share of the bill and will let you know what, if anything, you must pay. If you already paid for the covered services, we may reimburse you for our share of the cost, as long as the services rendered meet Medicare and/or Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) coverage guidelines. Please submit the bill to the following address:

Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care
P.O. Box 27489
Albuquerque, NM 87125-7489

You must submit your claim to us within one year of the date you received the service, item or drug.

Upon receipt, we will make an initial coverage determination on the claim. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) 2024 EOC or call our Presbyterian Customer Service Center for more information on initial coverage determinations. The phone numbers are listed on the back cover of this booklet.

Medicare Assignment

Some physicians, providers, and suppliers that are out of a plan's network (i.e., out-of-network) accept "assignment" from Medicare and will only charge up to a Medicare-approved amount. If you choose to see an out-of-network physician who does not accept Medicare "assignment," your coinsurance can be based on the Medicare-approved amount plus an additional amount up to a higher Medicare "limiting charge."

See the publications "Medicare & You" or "Your Medicare Benefits" available on **www.medicare.gov** for explanations of the rules related to assignment and limiting charges that apply by benefit type.

To find out if physicians and durable medical equipment (DME) suppliers accept assignment or participate in Medicare, visit **www.medicare.gov/physician** or **www.medicare.gov/supplier**. You can also call 1-800-MEDICARE (633-4227), 24 hours a day, seven days a week, or ask your physician, provider or supplier if they accept assignment.

Unique Services

The University of New Mexico (UNM) Medical Group is an in-network provider, but there are some things you should know before you seek care:

- You need prior authorization (approval from Presbyterian) to see a UNM Medical Group provider. This includes any specialists and inpatient and outpatient services.
- If you choose to seek treatment from a UNM Medical Group specialist, you will need prior authorization and a referral from a provider.
- Some members are not able to choose a UNM Medical Group primary care provider. Call the Presbyterian Customer Service Center and they can help you find out if this is an option for you.
- You do not need prior authorization or a referral to receive emergency care at a UNM facility.

If your provider determines that you need care from a UNM provider, he/she will work with Presbyterian to help you get the approval you need.

Pharmacy Introduction

This booklet provides a list of the Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the EOC and Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription. You can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your EOC.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network or may be newer pharmacies in our network that are not listed. This list is current as of **December 13, 2024**.

For the most current list, please contact the Presbyterian Customer Service Center. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail-order-delivery program. For more information, please contact the Presbyterian Customer Service Center or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but outside the Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) service area. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on network pharmacies outside the Presbyterian UltraFlex (HMO-POS)/Presbyterian Senior Care (HMO-POS) service area or contact our Presbyterian Customer Service Center.

If you have questions about any of the above, please see the first and/or back cover of this directory for information on how to contact us.

Specialty Pharmacies

Specialty pharmacies provide medications for people who have serious, chronic, or rare health conditions. Specialty medications can help you manage your condition. Depending on your health condition, these types of medications may:

- Be given by infusion (IV), through injection, or taken by mouth
- Cost more than traditional medications
- Have special storage and handling requirements
- Need to be taken on a very strict schedule

Most prescriptions will be mailed to your home.
