Section 1 – Introduction

This directory provides a list of the Presbyterian Dual Plus (HMO D-SNP) network providers and pharmacies. All providers and pharmacies in this provider directory accept both Medicare and Medicaid.

Your Primary Care Practitioner (PCP):

What is a "PCP" and what does your PCP do for you?

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

Your PCP is a physician, nurse practitioner, or other health professional that meets state requirements and is trained to provide you with primary medical care. See Chapter 3, Section 2.1 of your 2026 Evidence of Coverage (EOC) document, "You choose a Primary Care Provider (PCP) to provide and oversee your care," if you decide you want a different PCP. As we explain below, you should receive your routine or basic care from your PCP and this is the first person you should call when you need medical care, except in an emergency or urgent care situation.

Your PCP can provide most of your care and will help you arrange and coordinate the rest of the covered services you receive as a member of our plan. "Coordinating" your services includes checking or consulting with other network providers about your care and how it is going. Since your PCP should provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

The network providers listed in this directory have agreed to provide you with your healthcare and pharmacy services. You may go to any of our network providers listed in this directory; however, some services may require a referral or prior authorization. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Presbyterian Dual Plus (HMO D-SNP) will be responsible for the costs.

Refer to Chapter 3, Section 2 of your EOC for information on how to get care from PCPs, specialists and other network providers, as well as how to get care from out-of-network providers. If you have questions about how to get covered services, call our Presbyterian Customer Service Center. The phone numbers are listed on the back cover of this directory.

Remember, you are responsible for paying for the full cost of services that aren't covered by our plan, either because they are not plan-covered services or because plan rules were not followed.

Emergency Care:

When you have a medical emergency, you believe that your health is in serious danger. A medical emergency can include severe pain, a bad injury, sudden illness, or a medical condition that is quickly getting worse.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When traveling outside of the United States, you have worldwide emergency coverage.

If you receive emergency care, it is important to notify us after receiving care so we can be involved in the coordination of your follow-up healthcare. Either let your PCP know or call our Presbyterian Customer Service Center. The phone numbers are listed on the back cover of this directory.

Urgent Care:

Urgently-needed care is a non-emergency, **unforeseen** medical illness, or condition that requires immediate medical care, but your health is not in serious danger.

We will cover urgently-needed care that you get from a provider anywhere in the world.

What should you do if you have bills from out-of-network providers that you think we should pay for?

If you received a bill for services from an out-of-network provider, you can send the bill to us for payment or ask the out-of-network provider to bill us first. We may pay the out-of-network provider for our share of the bill and will let you know what, if anything, you must pay. If you already paid for the covered services, we may reimburse you for our share of the cost as long as the services rendered meet Medicare and/or Presbyterian Dual Plus (HMO D-SNP) coverage guidelines.

Click here to access a fillable form* to print and mail a medical claim for reimbursement: **https://www.phs.org/MedicalReimbursementForm**.

Click here to access a fillable form* to print and mail a pharmacy claim for reimbursement: **https://www.phs.org/PharmacyReimbursementForm**.

**If you need help completing the form or need a paper form, please contact the Presbyterian Customer Service Center for assistance.*

Please submit the bill and form to the following address:

Presbyterian Dual Plus (HMO D-SNP)
P.O. Box 27489
Albuquerque, NM 87125-7489

You must submit your claim to us within one year of the date you received the service, item or drug.

Upon receipt, we will make an initial coverage determination on the claim. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Presbyterian Dual Plus (HMO D-SNP) 2026 EOC or call our Presbyterian Customer Service Center for more information on initial coverage determinations. The phone numbers are listed on the back cover of this directory.

Based on a Model of Care review, Presbyterian Dual Plus (HMO D-SNP) has been approved by the National Committee for Quality Assurance (NCQA) to operate a Special Needs Plan (SNP) through 2028.

Presbyterian Dual Plus is an HMO Special Needs Plan (SNP) with a Medicare contract and a contract with the State of New Mexico Health Care Authority Medicaid program. Enrollment depends on contract renewal.

Pharmacy Introduction

This directory provides a list of the Presbyterian Dual Plus (HMO D-SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the 2026 Evidence of Coverage (EOC) and the Presbyterian Dual Plus (HMO D-SNP) formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Presbyterian Dual Plus (HMO D-SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue to use the same pharmacy to fill your prescription(s), but you can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your EOC.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 18, 2026.

For the most current list, please contact the Presbyterian Customer Service Center. The phone numbers are listed on the back cover of this directory.

You can have prescription drugs shipped to your home through Costco Pharmacy, our network mail order delivery program. For more information, please contact the Presbyterian Customer Service Center or visit **https://www.phs.org/medicare/prescription-drugs/home-delivery**.

We also list pharmacies that are in and outside of our network for the Presbyterian Dual Plus (HMO D-SNP) service area. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the Presbyterian Dual Plus (HMO D-SNP) service area or contact our Presbyterian Customer Service Center.

If you have questions about any of the above, please see the back cover of this directory for information on how to contact us.

- Cost more than traditional medications
- Have special storage and handling requirements
- Need to be taken on a very strict schedule

Most prescriptions will be mailed to your home.
