

◆ PROVIDER TRAINING ANNOUNCEMENT ◆

Aug. 1, 2018

Centennial Care Provider,

This notification is to inform you of your requirement to participate in an annual critical incident reporting training. *This training requirement applies to all contracted Centennial Care Providers.*

We are happy to announce the offering of our Annual Critical Incident Reporting Training for Providers for 2018. The trainings will be collaboratively presented by all Centennial Care Managed Care Organizations (MCO) and New Mexico Human Services Department (HSD). *This will help you meet your obligation to participate in an annual Critical Incident Reporting training.*

The training will cover critical incident reporting related to *Personal Care Services in the HSD Critical Incident Reporting Portal.*

For your convenience, the trainings will be made available through webinar only; there will not be on-site training options. Please take this opportunity to sign up for one of the training sessions listed. If you do not have internet access, please contact *Kim Dixon, RN* at 505-923-5673 or email: kdixon@phs.org

Please sign up for one of the WebEx Webinar trainings by using the link provided:

<https://phs.swoogo.com/2018criticalincidenttraining>

After you register, a separate email will be sent to you with confirmation of your registration and the WebEx Webinar information.

Your participation in this Annual Critical Incident Reporting Training for Providers is important for the services you provide to our Centennial Care members. If you have any questions you may contact *Kim Dixon, RN* at 505-923-5673 or email: kdixon@phs.org

Thank you for taking the time to register and participate in our annual Critical Incident reporting training for Providers and providing our members the highest quality of care possible with the right amount of care, delivered in the right time and in the right setting.

Sincerely,
Quality Improvement/Quality Management
Presbyterian Health Plan

Such services are funded in part with the State of New Mexico.
