

2024 Provider Directory

Thank You for Choosing Presbyterian Turquoise Care

The provider and pharmacy directory is current as of December 13, 2024.

We exist to ensure all of the patients, members and communities we serve can achieve their best health.

We manage healthcare services for New Mexico's Turquoise Care program. We can help you find and access services for physical, behavioral (mental) and long-term care health services.

This provider directory lists the providers (primary care and specialists), hospitals, facilities and pharmacies that were in our Turquoise Care network at the time of its printing.

We strive to give you the most up-to-date information possible. You can also call our local Presbyterian Customer Service Center (customer service) and they will tell you if a provider was added to the list since the directory was printed.

If you would like a printed copy in Spanish, please call customer service. They will note your preferred language in your file. If you request materials in Spanish, we will send you any other materials in Spanish in the future. Customer service can also help you with the information in other languages.

Using the Provider Directory

You can use the table of contents to look for the type of provider you need. We use the symbols below next to the provider's name to give you more information about the provider:

- The provider is board-certified.
- The provider supports electronic prescribing. Provider orders your prescription for drugs electronically instead of giving you a paper prescription.
- The provider is not accepting new patients.

If you require assistive technology, please click the following link to access the online directory: <https://www.phs.org/tools-resources/member/php-directory>.

We are always adding providers to our network. Visit our website at www.phs.org to see the most up to date directory online. You can search providers by:

- Full name
- Gender
- Specialty – area in which a provider has received advance training

- Group affiliations – the group with which the provider is contracted
- Accepting new patients – primary care providers (PCPs) are only listed when the provider is accepting new patients
- Languages spoken by the provider
- Office location – physical address where the provider practices, including distance from your address/ZIP code or current location for the web-based directory
- Office hours
- Facility name
- Facility location

Primary Care Providers

A primary care provider (PCP) is your personal healthcare expert. You and your PCP work together to improve your health. Your PCP will help you prevent health problems. They will take care of you if you have any health problems. If you have Turquoise Care Medicaid with Medicare primary coverage, your Medicare coverage will not change. You do not have to pick a new PCP.

Find the PCP Who is Right for You

We want you to have a PCP who is right for you. Customer service can help if you:

- Need to pick a PCP
- Want to change a PCP
- Do not know the name of your PCP

Keep Your PCP Informed

Talk to your PCP about all of your health problems. Your PCP needs your help to understand your special needs. Then they can give you the care you need.

Call Your PCP First When You Have a Health Problem

You can go to a specialist on your own (without a referral from a PCP) for:

- Behavioral (mental) health care
- Family planning
- Routine OB/GYN care
- Routine eye or dental care

Your PCP's goal is to support you and your health. We encourage you to tell your PCP when you need or have used any of the services listed above. This includes services that don't need a referral. They will work with your care team such as care coordination, so you have a better health outcome.

Contact a Care Coordinator

You may contact our Care Coordination department about your healthcare needs. If you already have a care coordinator, you may contact them directly. You can contact our Care Coordination team to help you Monday through Friday from 8 a.m. to 5 p.m. at (505) 923-8858 or toll-free at 1-866-672-1242.

Transportation

If you need a ride to your appointment, please call customer service. You may also call the transportation provider, Secure Transportation, directly at 1-855-774-7737. You can

read about your transportation benefit in your Presbyterian Turquoise Care Member Handbook.
