Subject: Join Us this September for the Annual Provider Education Conference and Webinar Series

Presbyterian Health Plan, Inc. and Presbyterian Insurance Company, Inc. (Presbyterian) invite all contracted physical health, behavioral health and long-term care providers and staff to attend the annual Provider Education Conference and Webinar Series. Providers are required to attend one of these trainings each year, and the next training will be on Thursday, Sept. 3 from 9 to 11:30 a.m.

Please note that due to the COVID-19 health crisis, Presbyterian changed all in-person Provider Education Conference training events to live training webinars to ensure the safety of attendees and staff. Live webinar trainings feature an interactive platform that allows providers to ask questions and receive feedback.

For more information regarding the upcoming trainings and training topics, please see the enclosed invitation. To register for a training event, please visit [phs.swoogo/2020PEC](https://phs.swoogo.com/2020PEC).

If you have any questions about the scheduled events, please use the following information to contact your Provider Network Operations relationship executive. As always, thank you for partnering with us to improve the health and wellness of the patients, members and communities we serve.
