Subject: Presbyterian Launches a New Network on the New Mexico Health Insurance Exchange

Dear Provider,

Presbyterian Health Plan, Inc. and Presbyterian Insurance Company, Inc. (Presbyterian) are continuing to maximize coordination and integration of care across the continuum of services and settings for New Mexico's most vulnerable populations. As the national and local landscape of healthcare continues to evolve, Presbyterian is in an exciting period of innovation.

It is in that spirit that we are pleased to announce a new network available to individuals purchasing plans on the New Mexico Health Insurance Exchange. It's called the Individual Select Network and it will enable many Presbyterian members who no longer qualify for Medicaid coverage to be able to continue care with their Presbyterian network providers.

In addition, this letter provides formal written legal notice to add a new product to your Services Agreement (Agreement). To participate in the network, no additional work is required on your part. The new product will automatically become part of your Agreement in 30 days from the date of this letter, in accordance with Section 11.4.3 of your Agreement.

Please note: The Individual Select Network will reimburse **at the same rate** as the commercial rate within your Agreement.

If you have questions, then please contact your Provider Network contract manager. You can find their contact information below or in our contact guide available at www.phs.org/ContactGuide.

We appreciate your commitment to providing care and services to our members. As always, thank you for partnering with us to improve the health of the patients, members, and communities we serve.
