## Explore Historical Tucumcari, New Mexico

Situated on historical Route 66, the town of Tucumcari has an old-west charm that keeps the rural community and pioneer spirit alive. Tucumcari is home to Dr. Dan C. Trigg Memorial Hospital, a not-for-profit acute-care hospital with 25 licensed beds, owned and operated by Presbyterian Healthcare Services and lead by a local Board of Trustees.

### The Community

With several recreational and cultural activities, Tucumcari offers a quality of life that is great for families looking for a friendly, small-town atmosphere.

The community of Tucumcari offers:

- A public school district with grades K-12, [Tucumcari Public Schools](#) has a low teacher-to-student ratio that enables a more personalized educational experience
- [Mesalands Community College](#), a fully accredited two-year institution that offers associate degrees and certificate programs, as well as a bachelor's degree in business administration and early childhood education in cooperation with The University of New Mexico
- Move-in ready homes, or land for building, ranching and farming
- Multiple churches of various religious affiliations

### Things to Do

Tucumcari and the surrounding areas offer a wide range of outdoor and unique old-west experiences including:

- Watching vintage aircraft race through the sky at the annual Tucumcari Air Show
- Canoeing, boating, water skiing, and more across [Ute Lake](#) and [Conchas Lake](#) State Parks
- Listening to traditional bluegrass music at the County Exhibit Hall, the NM Music Showcase, or at other venues throughout the area
- Photographing and viewing the more than 40 locally painted murals throughout the town, restored classic cars, and historic Route 66 neon
- Golfing at the local 18-hole golf course, or the nearby [12 Shores Golf Club](#) at Ute Lake
- Exploring museums such as [Mesalands Dinosaur Museums and Natural Sciences Laboratory](#), or the [Tucumcari Historical Museum](#), which is set in a 1900s schoolhouse

Make every moment of your life count for more here.
